## Types of communication

Four types of communication.

### (i) VERBAL COMMUNICATION :-

Occurs when we engage in speaking with others. Some verbal engagements are informal.

For example :- face ,over the telephone, via skype or zoom etc.

### (ii) NON-VERBAL COMMUNICATION

Is the transmission of message or signal through a non-verbal platform. If you are engaged in a conversation with your boss about your cost-saving idea, it is important to pay attention to both their words and their non-verbal communication.

For example: eye contact, smiling, scrunched up face

### (iii) WRITTEN COMMUNICATION

means the sending of messages, orders or instructions in writing through letters.

For Examples :- Electronic mail, Internet Web sites, letters, proposals, telegrams, faxes etc.

### (iv) VISUAL COMMUNICATION:-

We are a visual society think about it, television are running 24/7, facebook is visual with memes, video images etc.

For Example :- Chalk board or White board, Poster board, Hand outs, Video excerpts, Projection equipments etc.
