NSS Activities 2017-2018

Unnat Bharat Abhiyan (UBA)

DAV Institute of Engineering & Technology (DAVIET), proudly announces to be recognised as Participating Institute (PI) for Unnat Bharat Abhiyan (UBA) for the year 2018-2019, the list of which was released by Ministry of Human Resource Development (MHRD), Govt. of India on October 2, 2018, the 149th birth anniversary of Mahatma Gandhi. UBA is a flagship program of MHRD, addressing qualitative economic transformation of India through Higher Learning Institutes of excellence, coordinated by Indian Institute of Technology, Delhi. UBA is inspired by the transformational change in the rural development process by leveraging knowledge institutes to help build the architect of inclusive India. Following the vision of UBA, DAVIET adopted following villages of District Jalandhar,(Punjab) where we work in collaboration with District Administration, Panchayati Raj Institutions, and Voluntary Organizations to uplift the standards of living in these rural areas of Punjab.

To

District Collector

Jalandhar, Punjab.

Subject: Identification of villages under the UBA program.

Dear Sir

Ministry of Human Resources Development (MHRD), Government of India has launched the national program called Umat Bharat Abhiyan (UBA), with the vision to involve professional and higher educational institutions in the development process of rural areas in the country to achieve sustainable development and better quality of life. Indian Institute of Technology, Hauz Khas, New Delhi has been designated to be the National Coordinating Institute by the Ministry.

Our Institution, **DAV INSTITUTE OF ENGG. AND TECHNOLOGY, JALANDHAR (C-10384)** has agreed to participate in UBA as a Participating Institute (PI). **Dr. P. S. Mann (+91-9888395367)** has been duly authorized in this regard from our side to carry on the activities of UBA in our organization as Project Coordinator.

Under the UBA program every Participating Institute is to adopt a cluster of five villages in consultation with the Districts Collector. This is to bring to your kind notice that we have proposed the following villages in the district (Jalandhar, Punjab.)

1. Randhawa Masand
2. Kala Bahian
3. Nussi
4. Ball
5. Kangsiwal

In view of the above the Project Coordinator may contact your officer for the purpose. We request you to please help and cooperate in the matter.

With regards

Your Sincerely,

Dr. Manoj Kumar

Registration drive cum awareness seminar for Bone MarrowCancer

NSS Wing of the Institute in collaboration with Match for Marrow, Canada, is organized a

registration drive cum awareness seminar for Bone Marrow Cancer in the Institute on 09th April, 2018 at 9.30 AM in the Convention Hall. Its primary objective was to recruit individuals of ages 18-45 yrs. old to help find lifesaving matches for patients suffering from Blood Cancer and Blood Disorders. Match for Marrow is a not for profit organization founded in Canada. Its goal is to help increase the international donor database so that blood cancer/disorder patients in need of a bone marrow can easily and quickly find their life saving match for survival. They do this by running awareness seminars and registration drives working with different registries across the world.

National Voters Day

NSS Wing of the Institute observed National Voters Day on 25th Jan, 2018 in the institute campus, in which a pledge is taken by students of the institute to participate in the electoral process. The significance of this day is to encourage youngsters, who have reached the age of 18, of the country to participate in the electoral process, by enrolling or registering themselves in electoral rolls and to exercise their franchise. Why so much worry about CARBON FOOTPRINT?

THE CLIMATE CONNECTION

Global climate change refers to shifts in temperature, precipitation, wind, ocean currents, etc.

Global warming refers specifically to an increase in Earth's average surface temperatures.

Greenhouse gases include:

Methane (CH₄), Nitrous Oxide (N₂O), Ozone (O₃), Water Vapor (H₂O), Carbon Dioxide (CO₂)

Around 72% of total green house gases emitted is CO₂.

- These gases trap heat in the greenhouse effect.

ASCE -2021 celebrations:

ASCE INDIA SECTION NORTHERN REGION **169th ASCE Day** **DAVIET**
DAV Institute of Engineering and Technology

ASCE Day celebrates the Society's November 5 founding. Twelve esteemed engineers gathered at New York City's Croton Aqueduct on Nov. 5, 1852 to establish what would become the American Society of Civil Engineers. 2021 marks ASCE's 168th anniversary, the foundation day of ASCE was celebrated with great enthusiasm at DAVIET. The day started off with the **screening of the movie 'Dream Big'**-a cinematic masterpiece by itself. After boosting the motivation among the students an inspirational hands on **workshop** on the theme "Ecolution: the revolution for sustainable future." The members from 'Ecoistic Pathshala' who collaborated to organise this workshop, not only sensitised the students about the climate emergency but even taught various ways to reuse the plastic was

The illustration is split into two parts. On the left, a woman stands at the front of a classroom, pointing at a presentation board. Three students are seated at a table, looking at the board. One student has a lightbulb idea above their head with the text 'THINK GREEN!'. On the right, a group of people wearing face masks are seated in a red theater, watching a movie. A movie camera is visible at the top of the theater.

The collage features a large group photo of students and faculty members holding drinks, with the text 'Wishing You all Happy 169th ASCE Day' overlaid. Below this are several smaller photos: a man speaking at a podium, a man holding a sign that says 'GO GREEN SAY NO TO PLASTIC', a man holding a globe, and a group of people standing together.

BLOOD DONATION CAMP ORGANIZED AT DAVIET ON 09/03/2022

The NSS Unit of DAVIET, in association with **Knowledge Villa Integrated Education and Welfare Society, Blood Bank Amritsar**, organized a day-long Blood Donation Camp here at DAVIET. The camp aimed to educate the students about the significance of making a useful contribution to society by saving the lives of a person in need. In the camp, more **than 100** enthusiastic DAVIETians donated blood.

Dr. Manoj Kumar, Principal DAVIET, applauded the hard work put in by the NSS unit volunteers to organize the Blood Donation Camp successfully. He shared with all the present that by donating blood, the body remains healthy. Dr Manoj cautioned all the **enthusiastic first-time donors** that there should be a **gap of 3 months between** two donations. Further, he stated that around 5% of people donate blood the world over, and if this number can be increased to **10%**, the blood shortage can be removed. He also highlighted that students become more humane and realize the value of life through blood donation. He also shared that the institution has signed an MOU with **Knowledge Villa Integrated Education and Welfare Society, Blood Bank Amritsar** to provide assistance and support to each other if and when the need of blood donors arise.

Mr Vikramjit Singh, President, **Knowledge Villa Integrated Education, and Welfare Society, Blood Bank Amritsar**, encouraged young blood donors to donate blood with enthusiasm. He stated that it is only when we try to help those in need that we realize our lives' true purpose.

The NSS coordinator **Dr Ashok Kumar** highlighted that it is the poor strata of society that needs the most help as it can't manage the health care facilities. He also emphasized that one unit of blood can save **up to 3 lives**. He urged upon the students to take part in the camp enthusiastically to save the lives of people in need.

The camp concluded with the NSS Volunteers and donators being thanked for their active participation.

EXPERT TALK ON SVEEP

DAV Institute of Engineering and Technology organised talk on Electoral Literacy as a part of during the Student Induction Programme. The expert talk was delivered by Saini, Head, Department of Political Sciences. The chief of the function was Anupam Kler, deputy director Urban Local Bodies Jalandhar. The basic aim of the talk was to spread electoral awareness among the budding engineers so they should become responsible and conscientious citizens of the nation. Ashima Saini, while speaking on the importance of electoral literacy stated that in India every citizen has the right to run the country by selecting the right representative. She highlighted the fact that the voters should select the candidate wisely as a small error in judgment can send the wrong person to the top. The programme was organised as a part of Sy-
