### **A\_7.1.1 Measures initiated by the Institution for the promotion of gender equity**

The institution is well prepared to handle and respond to gender sensitive issues and provide an environment where men and women can work together with a sense of personal security and dignity. For this purpose, the institute has setup gender sensitization cell to engross the awareness about gender issues and working towards and creating an enabling environment of gender justice. Faculty member(s) deputed from each department designated as **Nodal Teachers** in this cell identifies student Gender Champions from their department.

Gender Sensitization Cell, DAVIET organized a webinar on “FEMININE Vs MASCULINE, Balance of powers to achieve greatness”, **on June 29<sup>th</sup>, 2021**. The Resource Person of the webinar was Ms. Nandita, Founder and CEO, Zaivic Tech Wellness, Entrepreneur, Life Enthusiast, and author of “Spiritual Quotient Coach”. This webinar was an opportunity to revitalize our notions about the above-mentioned topics and to make a gender-equal society.

Gender Sensitization Cell, DAVIET also presented influential women awards to celebrate the era of feminism on the occasion of International **Women’s day (March 8, 2022)**. It was an initiative by the institute to acknowledge the milestones achieved by women in diverse fields. The idea behind the initiative was to spread gender sensitization so as to create a better society.

#### **Main objectives of Gender Sensitization cell are:**

- To make the young boy’s and girl’s gender sensitive and create positive values that supports the girls and their rights.
- To provide overall guidance to the peer group in integrating/mainstreaming gender in all activities of the Institution in the form of focused group discussions, debates, poster making competitions etc.
- To provide an integrated and interdisciplinary approach to understand the social and cultural constructions of gender that shapes the experiences of women and men in society.
- To generate the awareness in regard to equality in law, social system and democratic activities.

#### **Representatives for Gender Sensitization Cell**

<b>Particulars</b>	<b>Name</b>	<b>Designation</b>
Patron	Dr. Manoj Kumar	Principal
Screening Committee	All HOD’s	
<b>Nodal Officer(s)</b>	<b>Dr. Harpreet K. Bajaj</b>	<b>Associate.Prof. (CSE)</b>
	<b>Dr. Megha Munjal</b>	<b>Asstt.Prof. (MBA)</b>
<b>Department wise Nodal Teachers</b>		
MBA	Dr. Ritu Sehgal	Asstt.Prof. (MBA)
MCA	Ms. Reeta Bhardwaj	Asstt.Prof. (MCA)

ECE	Dr. Kiran Ahuja	Asstt.Prof. (ECE)
	Mr. Rajesh Wadhwa	Asstt.Prof. (ECE)
EE	Ms. Shivani Mehta	Asstt.Prof. (EE)
CSE	Ms. Shaveta Angurala	Asstt.Prof. (CSE)
IT	Ms. Avani Chopra	Asstt.Prof. (IT)
ME	Mr. Gurveen Singh	Asstt.Prof. (ME)
CE	Mr. M.S. Bedi	Asstt.Prof. (CE)
AS	Ms. Shivani Vij	Asstt.Prof. (AS)
	Mr. Anand Bajaj	Asstt.Prof. (AS)

Faculty member(s) deputed from each department designated as **Nodal Teachers** in this cell identifies student Gender Champions from their department. The gender issues are also discussed as a part of the teaching learning process of various course contents viz: in Prose, Poetry, Fiction, Drama, etc.

The college, a **co-education institute** having nearly **30% girl students admitted** to various programmes. The college is concerned towards gender equality of its students and always tries to make different facilities available for them. Concerns regarding security and safety are addressed by the college through different means.

#### a. **Safety and Security**

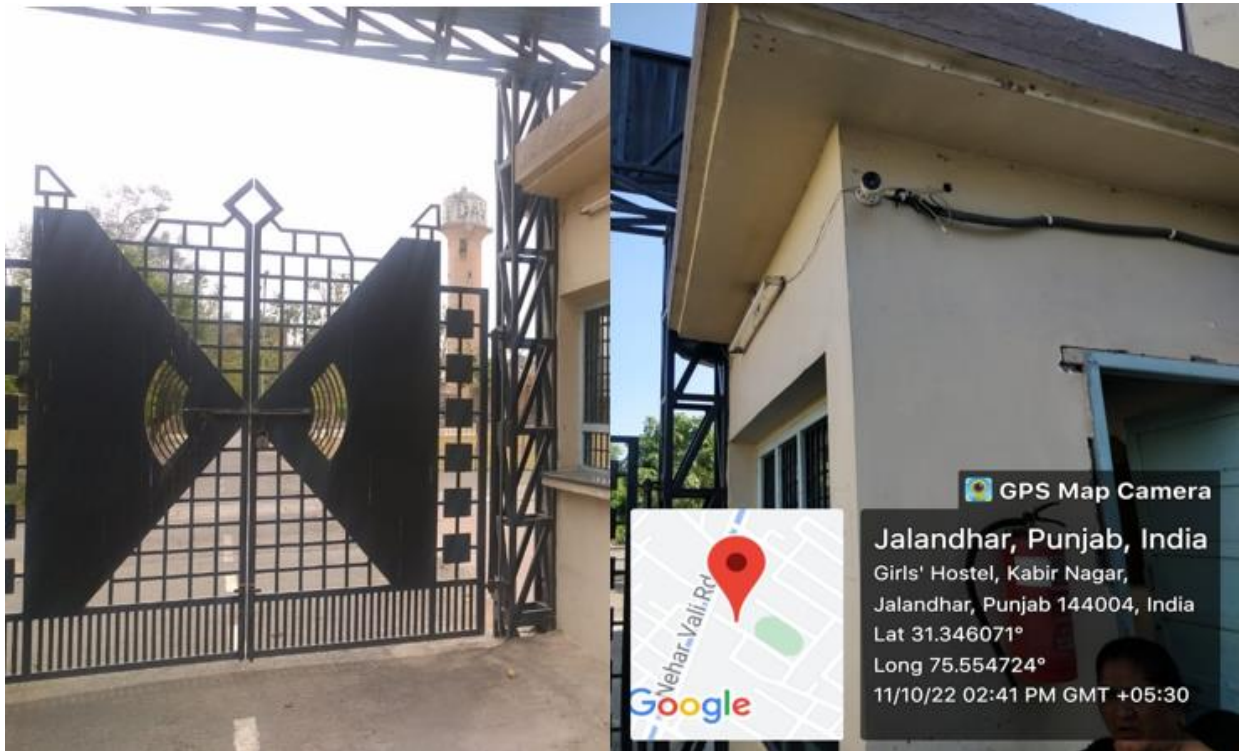

1. **Protected Campus:** The college campus is fully protected by wall compound around the campus trespassers are not allowed without permission.
2. **Security Staff:** There is 24X7 hours' security in the college. The security is managed by duly appointed security guards. This ensures the safety of the students specially girls and staff. Security related problems are handled by security and **college discipline committee**. Complaint box is installed in the institute's main building and its follow up is taken by **the Grievance Redressal Committee**.

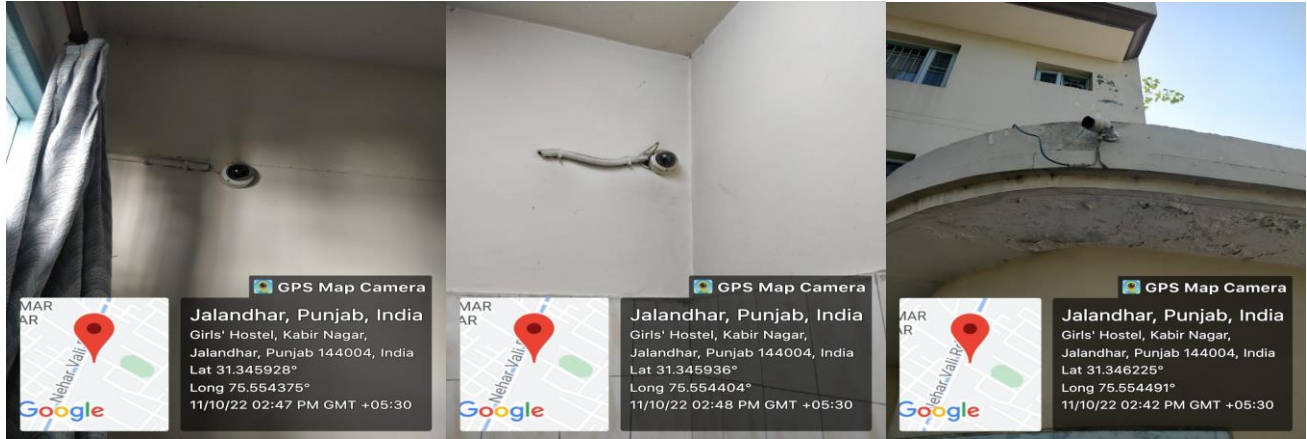

*Guard Room at the entrance of girl's hostel*

**CCTV Surveillance:** The campus is under CCTV surveillance fixed at various locations and complete area of college campus is covered. The footages are monitored in the Institute's CCTV Surveillance room located on Second floor of R&D block. The CCTV footage backup of 30 days is available to monitor.

*Main Entrance Girl's Hostel*

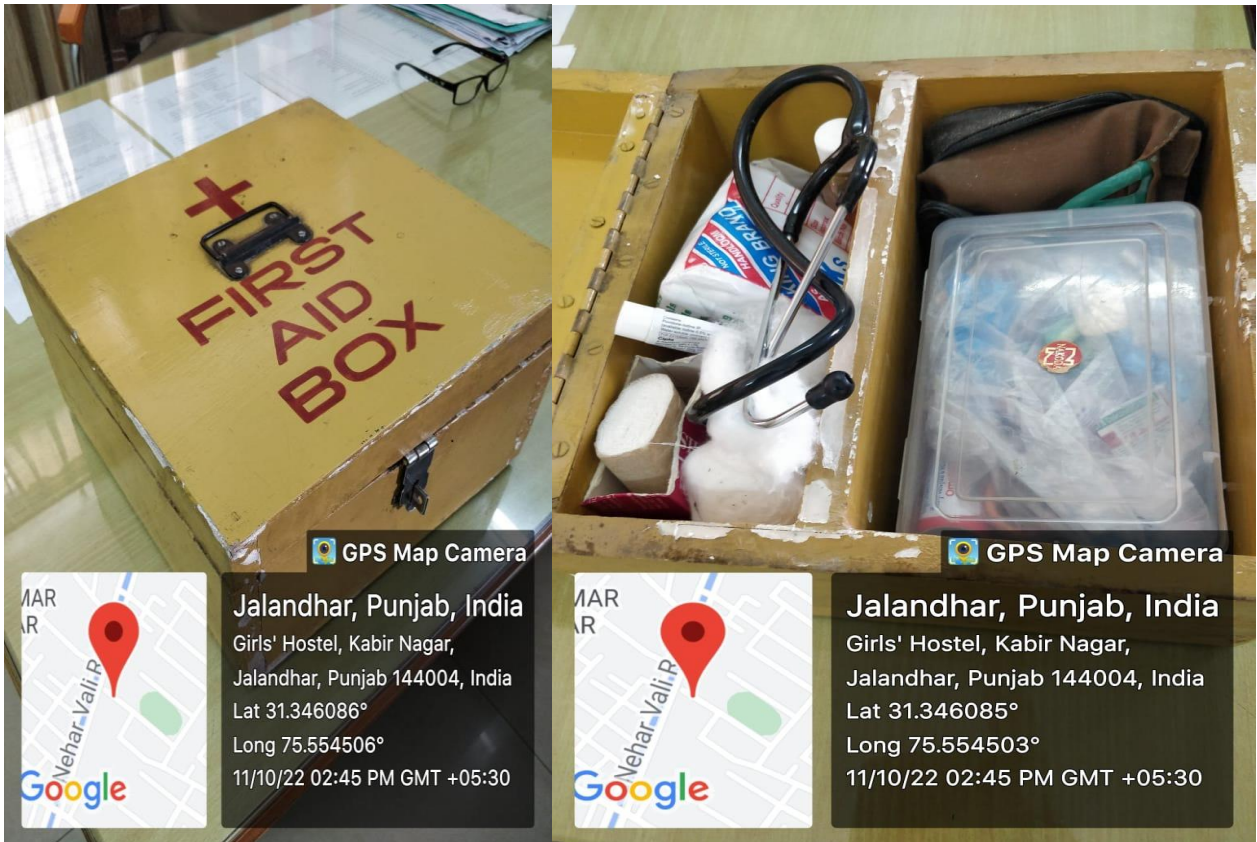

*Main Gate Girl's Hostel*

*CCTV surveillance Room*

*First Aid Box*

**b. Common Rooms for girls in the Institute:** -Common rooms for girls student are also available in the institute

*Visitors Room*

*Common Room*

**c. Activities conducted:**

**1. Counseling:**

**The Personal Counseling Cell:** The Counseling Cell of the college addresses the problems related physiological, emotional, social, and family issues, stress related to study and phobia etc. Our college counseling cell works under the guidance of the Convener of the Cell. Counseling Cell services are freely available to the students and focus mainly to the girl students.

**Staff and Teacher:** Teaching as well as non-teaching staff members helps students and create healthy relations with students and provide counseling regarding their queries of admissions, scholarship etc. Special attention is given to the girl students as these students are from rural and semi-urban background. Teachers provide career and personal counseling to perform students better in their career as well as academics. In case of major issues, the staff and the teachers refer the students for counseling Cell.

## 2. A Webinar on “FEMININE Vs MASCULINE, Balance of powers to achieve greatness”

Gender sensitization is a weapon towards gender equity and equality. It is essential for creating sustainable development as enshrined in our constitution. Gendered assumptions and gender-based social discriminations exist throughout society from organizational planning to everyday interactions at the workplace. Negative impacts of such assumptions can undermine the efficiency and success of even the best-intentioned plans.

Considering unavoidable repercussions of gendered assumptions Gender Sensitization Cell, DAVIET organized a webinar on “FEMININE Vs MASCULINE, Balance of powers to achieve greatness”, **on June 29, 2021.**

The Resource Person of the webinar was Ms. Nandita, Founder and CEO, Zaivic Tech Wellness, Entrepreneur, Life Enthusiast, and author of “Spiritual Quotient Coach”

This webinar was an opportunity to revitalize our notions about the above-mentioned topics and to make a gender-equal society.

### 3. Two days Women Self Defense Workshop at DAVIET

The Gender Sensitization Cell of DAV Institute of Engg. & Technology, Jalandhar organized a 2-day workshop on “Women Self Defense” in collaboration with NGO- “Women Helpers” on February 17-18, 2020, to highlight the need of women safety and security. Over 200 girl students of the Institute attended this self-defense programme. The main tricks of self-defense such as escaping a wrist grip and an uncomfortable hand grabbing from behind were demonstrated. The trainers also showed that palm of the hand, elbows, knees, legs etc. are the body parts that can be used as weapons.

Ms. Monica Arora, sub-Inspector and In-charge, Cyber Crime, Jalandhar was the Chief Guest on the valediction of this two-day workshop. She appreciated the effort of Gender sensitization Cell, DAVIET for organizing such self-defense programmes for the girls. In her speech, she focused on setting up of goals and hard work. Further, she stated that self-defense is the state of mind. She threw light on proper utilization of time also.

Dr. Manoj Kumar, Principal, DAVIET appreciated the participants of this workshop. In his speech, he stated that gender sensitization cell of DAVIET is playing preventive role also and the cell has regular meetings with boys as well in the Institute. Further, he mentioned that we all should realize the importance of campaign ‘Beti Bachao, Beti Pado’ that aims to generate awareness and improve the efficiency of welfare services intended for girls in India.

A renowned Punjabi singer, Diljaan and Super Mutiyaar, RJ Garima, 94.3 FM also graced the occasion with their benign presence.

At valediction, Ms. Monica Arora, Chief Guest was presented a token of gratitude by Dr. Manoj Kumar and Dr. Harpreet Bajaj, Head, Gender Sensitization Cell. Renowned Punjabi singer, Diljaan, Super Mutiyaar, RJ Garima, Mr. Rajeev Kumar Nagpal, Head, Cobra Karate, Mr. Jitendra, Mr. Jhonson and the team members of Gender Sensitization Cell, DAVIET were also honored.

Dr. Manoj Kumar thanked the Chief Guest and other dignitaries present on the occasion for sparing time for the motivation of students.

#### 4. An Initiative by Himalaya

Gender Sensitization cell of DAVIET conducted an event in collaboration with Himalaya Company for the students of the institute on January 23, 2020. The Organization tried to enrich the lives of students by giving them a “Clear Face confidence. The activity promoted youth’s self-esteem which in turn will help them to grow as strong and confident individuals.

*Glimpse of Clear Face confidence Programme*

## 5. Installation of Sanitary Napkin Vending Machine

In an initiative to promote menstrual health of adolescent girls A SMART-MANUAL Sanitary Napkin Vending Machine was installed in girls' hostel of the institute for the facility and hygiene of the female resident scholars under the supervision of Dr. Harpreet Bajaj and Dr. Megha Sharma.

**Sub: Request for installing Napkin Vending Machine.**

Dear Sir,

DAV Institute of Engineering & Technology, Jalandhar (DAVIET) is a flagship institution of DAV College Managing Committee, New Delhi (DAVCMC). DAVCMC is the largest NGO of our country in the field of education, having more than 800 schools & colleges across the country. DAVIET is a premier institution of Northern India providing quality education in Engineering, Business Administration, Hotel Management & Tourism related Undergraduate & Postgraduate courses. DAVIET is a co-education institution. Our students are serving in the various capacities in Government/Public Sector/Private Sector undertakings. National Assessment & Accreditation Council (NAAC) of India has awarded "A" grade which certifies the quality of our services to the nation.

There is a requirement of following items for the cause of female students in our institute.

- |    |                                 |        |
|----|---------------------------------|--------|
| 1. | Sanitary Napkin Vending Machine | 06 pcs |
| 2. | Incinerators                    | 06 pcs |

You are requested to get the machines installed in our institute.

Thanking you,

Yours sincerely,

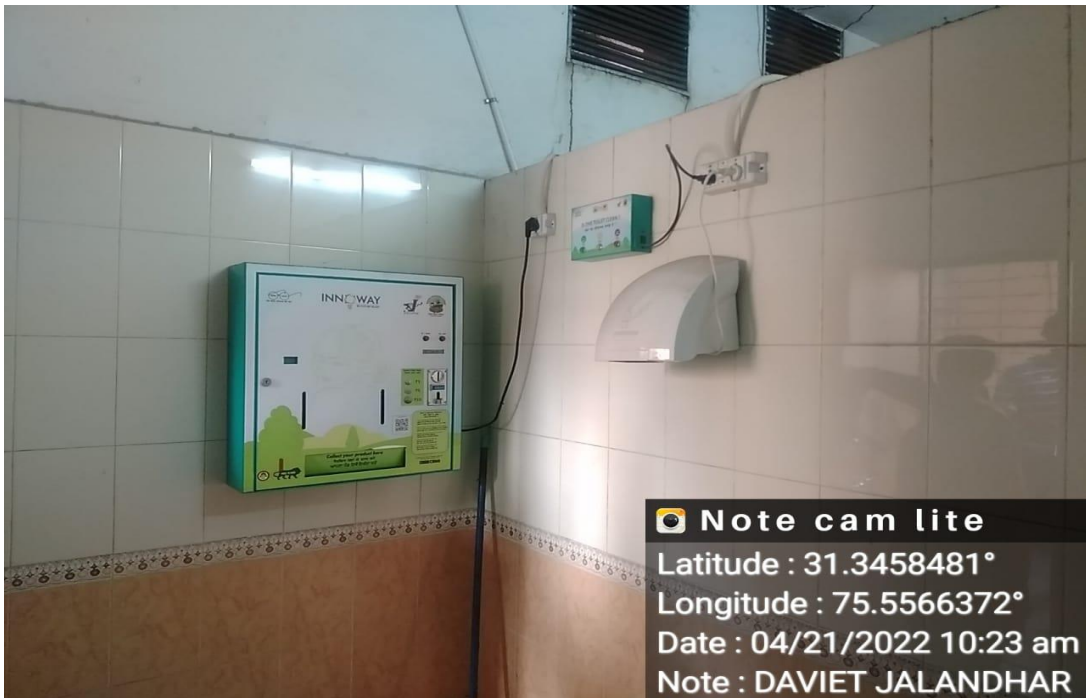

(Dr. Manoj Kumar)  
Principal

Sub:- Financial Support for the purchase of SMART - MANUAL Sanitary Napkin Vending Machines

Dear Sir(s),

DAV Institute of Engineering & Technology (DAVIET), Jalandhar got established in year 2000 under the aegis of DAV College Managing Committee, New Delhi. The Institute is approved by AICTE and affiliated to IKG Punjab Technical University, Jalandhar. We are a non-profit making organization working with a mission to spread education to masses. We intend to install 02 'SMART - MANUAL Sanitary Napkin Vending Machines' in our girls hostel for the facility and hygiene of the female resident scholars.

The approximate cost of this machine is Rs. 12,500/-. You are requested to extend financial support for purchase of the same. We assure you that every bit this donation shall be optimally utilized and will not be used for any kind of profit making. This facility will be extended to the female resident scholars on no profit basis and maintenance of this machine shall be borne by the Institute.

Thanks with regards,

  
(Dr. Manoj Kumar)  
Principal

## 6. International Women's Day Celebrated at DAVIET on 8th March 2018

**International women's Day** was celebrated here today at DAVIET with great enthusiasm by the **Gender Sensitization Cell** of the Institution. It was an initiative by the Cell to enlighten and empower the students in general and girls in particular about the rights and role of women in the ever-emerging scenarios the world over.

As part of celebrations, a **workshop on self-defense** was organised with the focus on enabling the girls defend themselves against aggressors in diverse situations. More **than 200 girls** participated in the workshop. The highlight of the celebration was the performance of the Punjabi play **Sahiban– a tale beyond legend** by artists from **Naad Rang Manch, Patiala**. It offers a fresh perspective on the suffering of women in the feudal society. In the play, Sahiban challenges the notion of love practiced and propagated in a male-dominated society where women are confined to their homes and denied the right to choose their own life partner as per their wishes.

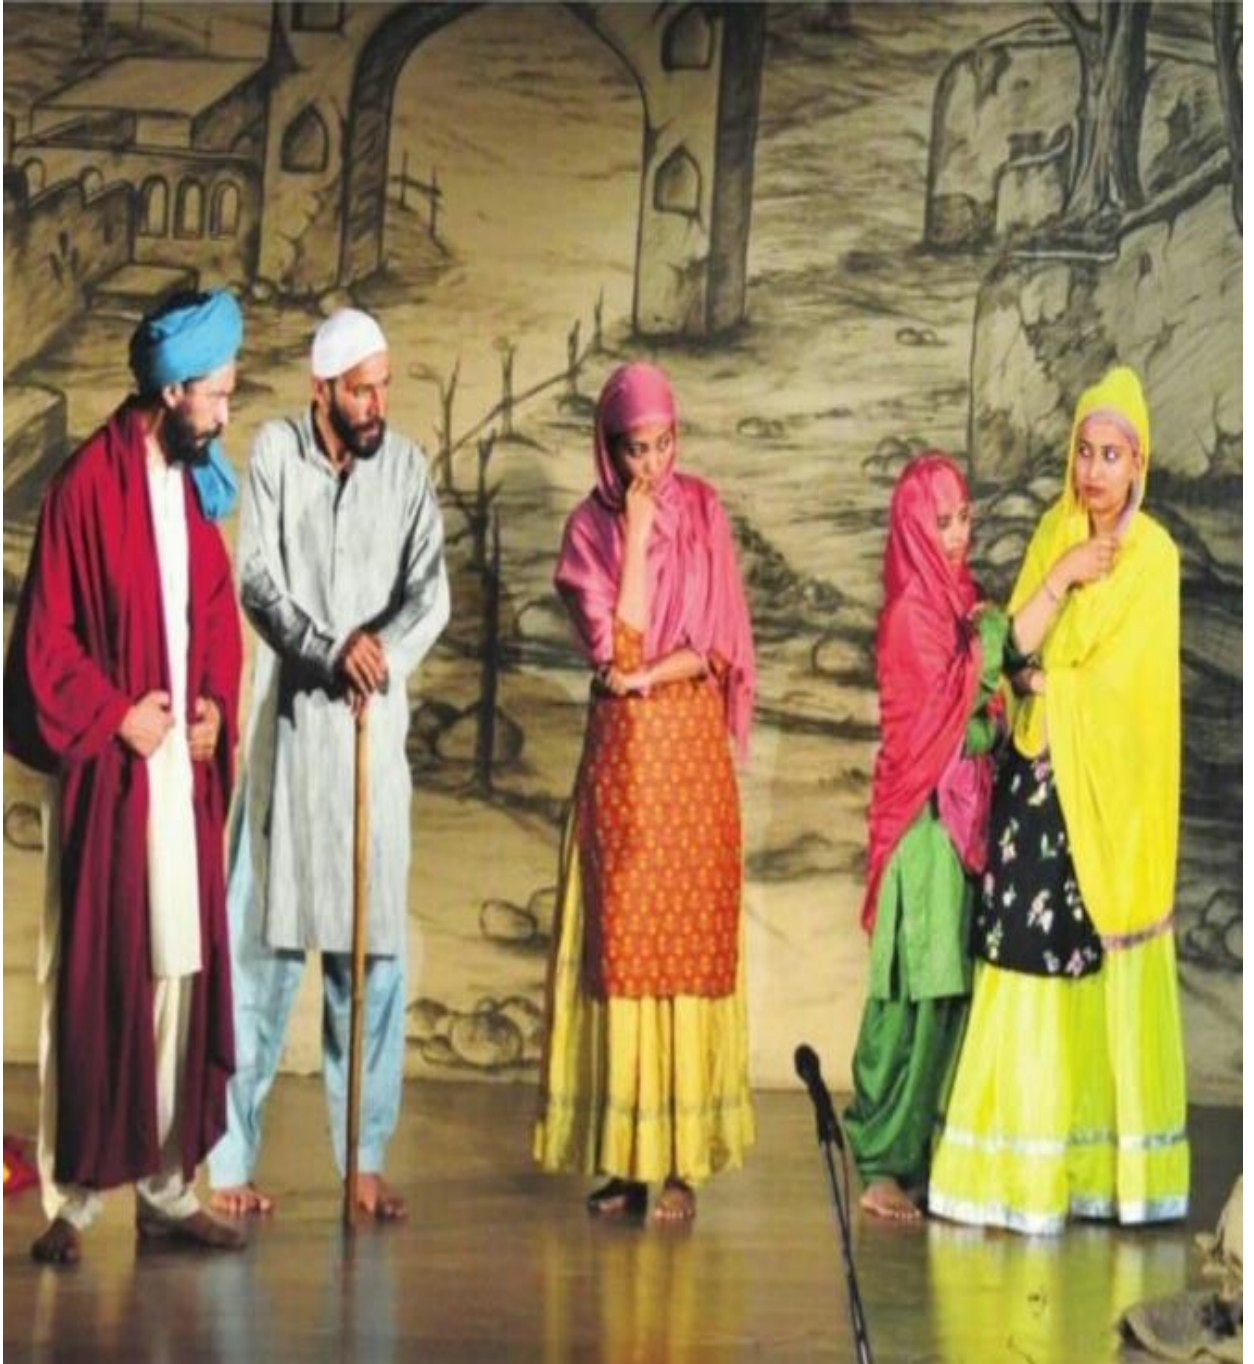

It highlights the struggle faced by her while revolting against popular notions. The writer conceives a hypothetical situation, in which, against the popular tale, penned down by Punjabi writer Pihu, Mirza and Sahiban start living together but shunned by their kin and ridiculed by people. While society finds no fault with Mirza, it loathes Sahiban for the revolt against the beliefs upheld by it. As the play progresses, while Mirza succumbs to societal pressures, leaving Sahiban but to join her later, she is ready to wait for him due to her unflinching love, which survives the loathing and treatment meted out to her by society and her own lover.

The Chief Guest of the day was **Ms. Hardeep Kaur Bhawra, Assistance Excise and Taxation Commissioner**. She urged the women to have dreams in their eyes and then step beyond their comfort zones to realize those dreams. She highlighted that in today's world women can do all the things which were considered as male prerogatives in past. She gave the message that all the educated people should work together for the upliftment and empowerment of women. Here are a few glimpses:

## **B\_Celebration of Days of National / International Commemoration**

### **1. National Science Day 2017 to commemorate the life of Sir C. V Raman**

National Science Day Celebrations were organized by Department of Applied Sciences and Centre for Excellence for Cyber Security and Cyber Forensics to commemorate the life of Sir C.V Raman who is credited with the discovery of Raman Effect here at DAVIET. The basic aim of celebrations was to give exposure to students about the latest discoveries in the field of science and to give them a platform to appreciate the great discovery by Indian physicist Sir Chandrashekhara Venkata Raman on 28 February 1928. The celebrations are supported by National Council for Science & Technology Communication (NCSTC), Department of Science and Technology (DST), Government of India and Punjab State Council for Science & Technology (PSCST).

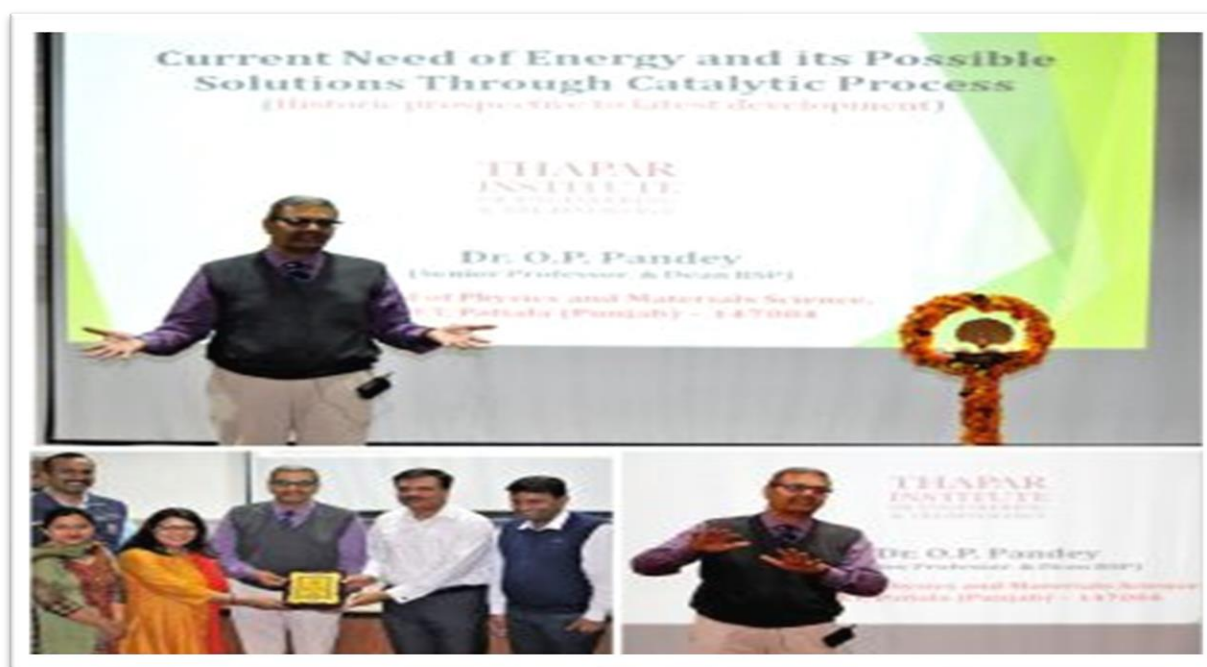

*Inauguration Ceremony - National Science Day Celebrations 2017*

## **2. National Science Day Celebrations-2018 at DAVIET To Commemorate the Life of Sir C. V. Raman**

National Science Day Celebrations were organized by Department of Applied Sciences to commemorate the life of Sir C.V Raman who is credited with the discovery of Raman Effect here at DAVIET. The basic aim of celebrations was to give exposure to students about the latest discoveries in the field of science and to give them a platform to appreciate the great discovery by Indian physicist Sir Chandrasekhara Venkata Raman on 28 February 1928. The celebrations are supported by National Council for Science & Technology Communication (NCSTC), Department of Science and Technology (DST), Government of India and Punjab State Council for Science & Technology (PSCST). Dr. Manoj Kumar, Principal DAVIET stated that we should remember the great Physicist Sir Chandrasekhara Venkata Raman, who was awarded the Nobel Prize in Physics in 1930 for his work in the field of Light Scattering. He shared that the theme of National Science Day, 2018 is "Science and Technology for a Sustainable Future" and highlighted that it is time when benefits of science and technology should reach every individual so that no one should be left out of the phenomenal growth story of India. An expert talk by Dr. OP Pandey, Senior Professor, School of Physics and Material Sciences and Dean Research and Sponsorship Projects, Thapar University Patiala was organized on the topic "Current Need of Energy and its Possible Solutions Through Catalytic Process with the aim to help the students gain valuable insights about how development can be achieved without destroying nature. He touched upon nano-scale processes and fabrication and highlighted the top down and the bottom-up approach for the production of Nano Materials. Students of First Years presented a choreography named "Time Machine" on the eve of celebrating National Science Day. They presented dance for various historical inventions with the aid of relevant songs and entertained the audience.

## **5. Matribhasha Diwas, 21<sup>st</sup> February, 2019**

As UNESCO in 1999, declared 21<sup>st</sup> February of every year be celebrated as International Mother Language Day, Accordingly, celebrations are held every year on the date by this Ministry in the name of “Matribhasha Diwas”. The significance of this day is to promote the dissemination of mother language of all and create maximum awareness of linguistic and cultural traditions throughout the world and to inspire solidarity amongst the people speaking many languages. Hon’ble HRM has desired to celebrate the “Matribhasha Diwas” in a grand manner to promote and preserve Mother language. Following this, Essay Writing and Elocution competitions on the topic “Matribhasha Diwas” were conducted in DAVIET, Kabir Nagar, Jalandhar on 17<sup>th</sup> and 20<sup>th</sup> February 2019. Many students enthusiastically participated in these competitions. In Essay writing, Mehak Sharma B.Tech. IT-I got 1<sup>st</sup> position, Jannat Miglani CSE-I, Sukhwinder Singh ME-I and Garima MBA-II got 2<sup>nd</sup> and 3<sup>rd</sup> positions respectively. In Elocution, Guneet Kaur, Radhika, Pragati and Yashika Gandhi CSE-II and BHMCT-I got 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> positions respectively. Principal Dr. Manoj Kumar congratulated the students and encouraged them to participate in such competitions in future also. Dr. Anil Soni (Dean Students Affairs), Jasdeep Johal (Cultural Officer and A.P. Computer Applications), Ravinder Kaur and Rashmi Sethi (A.P. Applied Sciences) also congratulated the students.

## 9. National Voter's Day Celebration

The students of our institute participated in District level 'National Voter's Day' celebrated by District Election Office at HMV college on 25th January 2020.

Our students Mr. Kumar Roshan Drolia of CSE 2nd year bagged 1st position in poster making, Mr. Harsh Raj of BHMCT 1st year got consolation prize in poster making and Ms. Kirti Narang of CSE 3rd year stood 2nd in declamation contest on topic "VOTER'S participation and democracy in India". Principal Dr Manoj Kumar congratulates the students and discuss the importance of voting in democracy.

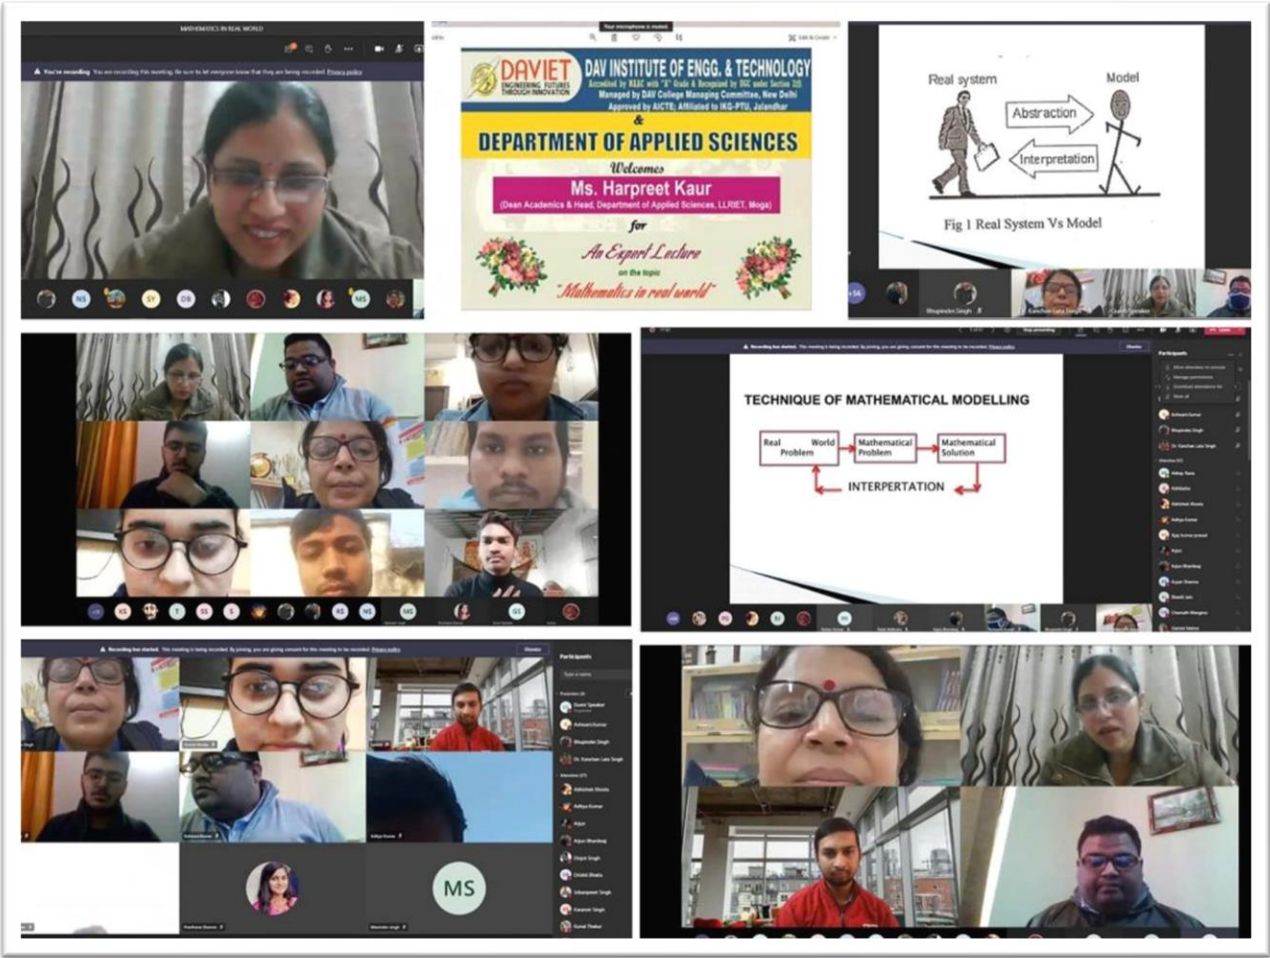

*Winners with the chief Guest*

**10. Department of Applied Sciences Organized Expert Lecture on “Mathematics in Real World” on The Eve Of National Mathematics Day on 22 December, 2020**

An Expert Lecture on the topic “MATHEMATICS IN REAL WORLD” was organized in DAVIET. Ms. Harpreet Kaur, Dean Academics and HOD, Department of Applied Sciences LLRIET, Moga was the resource person. Dr. Kanchan L Singh HOD, Mr. Ashwani Kumar and Dr. Bhupinder Singh, Event coordinators and Assistant Professors, Applied Sciences welcomed the guest. Dr. Kanchan L Singh HOD in her welcome address emphasized the fact that interdisciplinary collaboration is required for the new era, and one should collaborate together to achieve new goals and mathematics is the branch which is applicable everywhere and can be worked together to get new heights. Professional degree helps students to get job, but their analytical skills decide how they will come up with that situation. She said that along with their curriculum, students need these types of lectures, which are beneficial for them in professional lives. Our resource person in her talk discussed about real world problems solved and analyzed with the help of mathematics, how mathematics helps actually in real world issues and their solutions and updating them time to time according to situations.

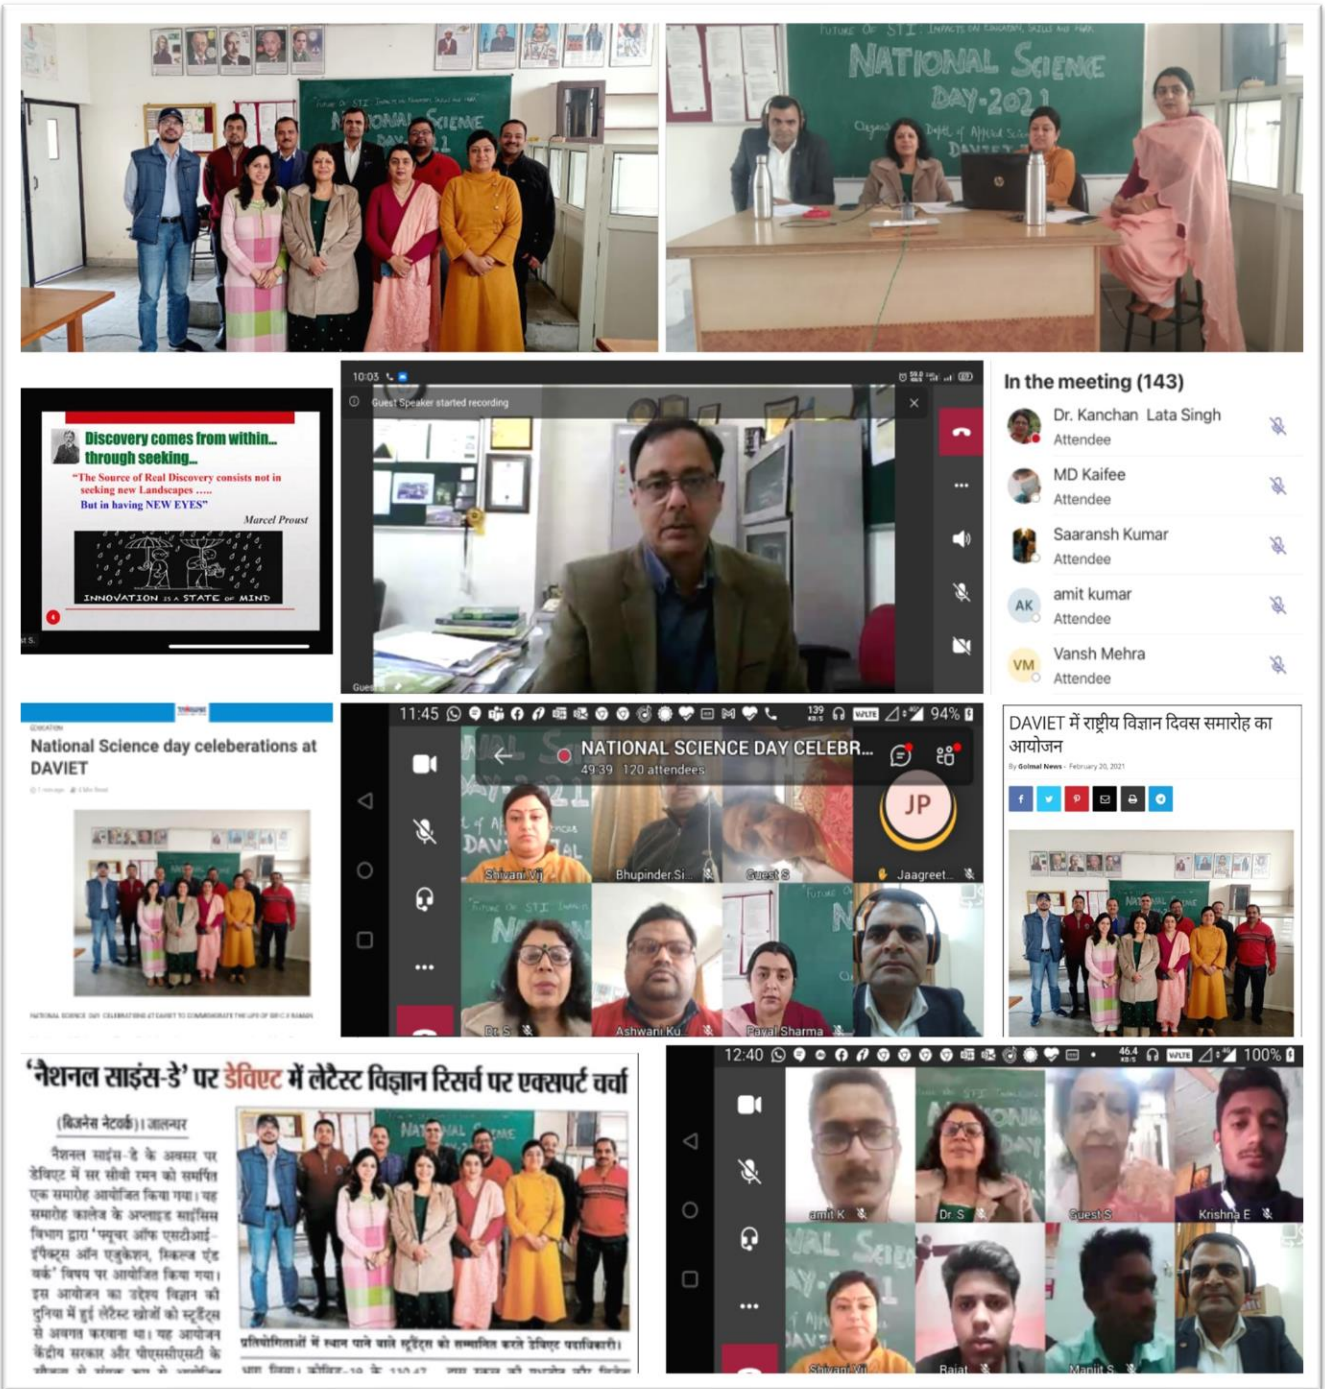

*Glimpse of the Celebration: Mathematics in Real World*

## **11. National Science Day Celebrations Organised on February 19, 2021**

National Science Day Celebrations were organized by Department of Applied Sciences to commemorate the life of Sir C.V Raman who is credited with the discovery of Raman Effect here at DAVIET. The theme of the celebrations was “Future of STI: Impacts on Education, Skills and Work”. The basic aim of celebrations was to give exposure to students about the latest discoveries in the field of science and to give them a platform to appreciate the great discovery by Indian physicist Sir Chandrashekhara Venkata Raman on 28 February 1928. The celebrations are supported by the Department of Science and Technology (DST), Government of India and Punjab State Council for Science & Technology (PSCST). An expert talk by Prof. Neeraj Dilbaghi, Professor of Nanobiotechnology, Guru Jambheshwar University of Science and Technology, Hisar was organized on the topic “Science, Technology and Innovation for Sustainable Development during and Post Covid”. He highlighted the fact that Covid-19 was a challenge but through technological innovation, we have become self-reliant in terms of imparting of education. He reiterated that though traditional teaching stopped but learning never stopped. He touched upon the basic question whether microorganisms like viruses will go on attacking human race and ultimately who will succeed. Another talk was delivered by Dr. Meenakshi Sayal on the topic “Science and Innovation”. Declamation on the topic “Future of STI: Impacts on Education, Skills and Work” was won by Prabhjot Repal, from Swami Sant Das Public School, Phagwara. The first runners-up were Manmeet Kaur from DAVIET. The second Runners up in the event were Ruchika and Kamini. In Poster making the first prize was bagged by Pritika, from Swami Sant Das Public School while the second prize was won by Bhawna from DAVIET. The third position was bagged jointly by Prabhnoor Kaur from Swami Sant Das Public School and Kishpreet Kaur from DAVIET. In Role Play, Navreet Kaur won the first position from DAVIET.

## 12. International Yoga Day-2021 by Organizing Immunity Enhancement Workshop (19-21 June, 2021) For Faculty, Staff And Students

International Yoga Day-2021 was celebrated by organizing Immunity Enhancement Workshop from 19-21 June 2021. Mr. Vivek Vansal, Life Coach, Meditation Expert & Art of Living State Head, and Ms. Mamta Thakur, Electrical Engineer, Art of Living Faculty, Founder My Mission Education were the Resource Persons. In this workshop, students learnt the various Yoga Asanas like Kapaal Bharti, Bhramri, Nari Shudhi, Bhastrika, and Surya Namaskar. All these Asanas were very well explained and executed by the resource persons. Then there was a session of guided meditation, which was very much mind relaxing in today's tough times.

### **13. World Environment Day on 5<sup>th</sup> June, 2021.**

DAV Institute of Engineering and Technology, Jalandhar, celebrated “World Environment Day on 5th June, 2021 by organizing the “**National Level Workshop cum Paper Presentation Competition**” through online mode. The national workshop was jointly organized by the Department of Applied Sciences and the Departments of Mechanical and Civil Engineering of the institute. The topics for this National Level Workshop cum Paper Presentation competition were: **How to reduce Carbon Footprints: Need, Causes, Challenges, and our Role & Responsibilities? and COVID 19 Pandemic: Causes, Preventions, Effects, Remedies and our Role & Responsibilities to fight against it.**

**Mr. S C Popli**, Advisor, Business and Skill Development Daikin Airconditioning India Pvt. Ltd graced the occasion as the Chief Guest and Keynote speaker for the event. During his address, he highlighted the need for environmental protection. He also added that his company Daikin Airconditioning India Pvt. Ltd has released many patents owned by the company to benefit society during this pandemic time. Further, he said that the new refrigerant R-32, recently developed by the company, has also been put forward in the public domain which is being used by many other companies.

Dr. Sudesh Yadav, Associate Professor, School of Environmental Science, Jawaharlal Nehru University (JNU), New Delhi and Dr. Balraj Gupta, MD, MACC (USA), FICA, Consultant Physician & Medical Director, Rattan Hospital, Jalandhar were the Resource Persons. The Expert talks were conducted through the \*Microsoft Teams\* platform in online mode.

Dr. Sudesh Yadav, Associate Professor, JNU, who is an expert in the domains of e-waste, pollution from thermal power plants and industries, persistent organic pollutions in human serum, the impact of GHGs on wheat and rice productivities, and analytical chemistry, presented his ideas and recent finding on the much-needed methods to be adopted to reduce Carbon Footprints.

**Dr. Balraj Gupta**, MD, MACC (USA), FICA, Consultant Physician & Medical Director, Rattan Hospital, Jalandhar also presented many case histories on the topic **COVID 19 Pandemic: post covid Effects, Remedies and his experiences in handling COVID 19 Pandemic, Preventions strategies and Role & Responsibilities of all individuals to fight against it.** He answered all the queries of the participants and suggested a lot of remedies and protocols primarily related to Diabetic patients. His explanation regarding the use of insulin as the sixth level remedy impressed all the participants.

The event was also witnessed by massive participation by students from different parts of India namely Haryana, Rajasthan, Uttar Pradesh and the home state Punjab. Out of the total entries received for three

categories of Students of Sr. Secondary Level, students of Under-Graduate Level, and Paper Presentation by Students of Post-Graduate Level, 20 Papers were finally selected. Dr. Shivani Vij, Assistant Professor, Deptt. of Applied Sciences, coordinated students' paper presentations under all three categories.

**Dr. A. P. Singh**, Former Dean (RIC) and Professor, IKG-PTU, Kapurthala, **Mr. Rahul Sharma**, Life Coach, and **Mr. Aman Maini**, Assistant Professor, DAVIET, Jalandhar, judged the paper presentation. Students securing 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> position in each category were presented the attractive prizes, along with the Participation Certificates.

**Dr. M K Kaushik**, Assistant Professor, Civil Engineering, proposed the Vote of Thanks. He thanked the Chief Guest, Resource Persons, Dr. Manoj Kumar, Principal, DAVIET, Dr. Gaurav Dhuria, HoD Mechanical Engineering, Dr. Sanjeev Naval, HoD Civil Engineering, Dr. Kanchan L Singh, HoD Applied Sciences, Dr. Ashok Kumar, associate Professor, Applied Sciences, organizing team members Dr. Shivani Vij, Asstt.Prof., Applied Sciences and Mr. Aman Maini, Asstt.Prof., Mechanical Engineering, respected Jury Members, and all the participants.

**Dr. ASHOK KUMAR**, Organizing Secretary, also thanked the media persons and those whose unconditional support made this event a grand success.

### Why so much worry about CARBON FOOTPRINT?

#### THE CLIMATE CONNECTION

Global climate change refers to shifts in temperature, precipitation, wind, ocean currents, etc.

Global warming refers specifically to an increase in Earth's average surface temperatures.

Greenhouse gases include:

Methane (CH<sub>4</sub>), Nitrous Oxide (N<sub>2</sub>O), Ozone (O<sub>3</sub>), Water Vapor (H<sub>2</sub>O), Carbon Dioxide (CO<sub>2</sub>)

Around 72% of total green house gases emitted is CO<sub>2</sub>

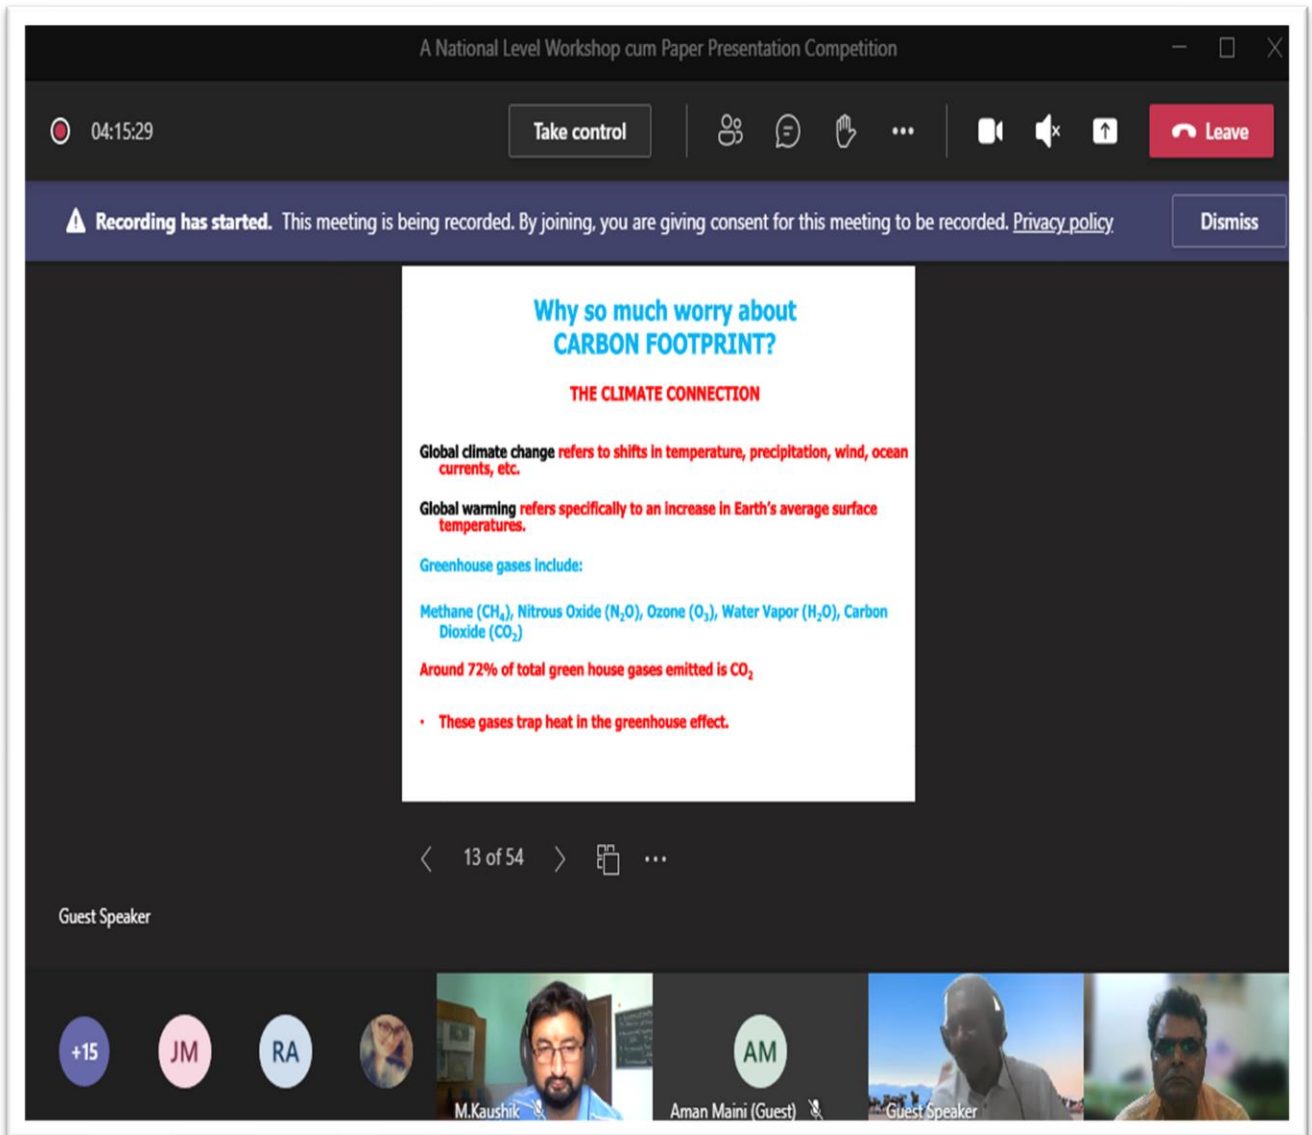

- These gases trap heat in the greenhouse effect.

## 14. ASCE -2021 celebrations:

**ASCE INDIA SECTION NORTHERN REGION** **169<sup>th</sup> ASCE Day** **DAVIET**  
DAV Institute of Engineering and Technology

ASCE Day celebrates the Society's November 5 founding. Twelve esteemed engineers gathered at New York City's Croton Aqueduct on Nov. 5, 1852 to establish what would become the American Society of Civil Engineers. 2021 marks ASCE's 168th anniversary, the foundation day of ASCE was celebrated with great enthusiasm at DAVIET. The day started off with the **screening of the movie 'Dream Big'**-a cinematic masterpiece by itself. After boosting the motivation among the students an inspirational hands on **workshop** on the theme "Ecolution: the revolution for sustainable future." The members from 'Ecoistic Pathshala' who collaborated to organise this workshop, not only sensitised the students about the climate emergency but even taught various ways to reuse the plastic was

The illustration is split into two parts. On the left, a woman stands at a whiteboard pointing at charts, while four people sit at a table with laptops, participating in a workshop. A 'THINK GREEN' logo is visible. On the right, a group of people wearing face masks sits in a red theater, watching a movie. A film camera icon is positioned above the theater.

The collage features a large group photo of students and staff holding drinks, with the text "Wishing You all Happy 169<sup>th</sup> ASCE Day". Other photos show a man speaking at a podium, a person holding a "GO GREEN SAY NO TO PLASTIC" sign, a person with a globe, and a group of people holding drinks in a hall.

Some Glimpses of 169<sup>th</sup> ASCE day celebrated at our campus

### **15.DAVIET Celebrated World Consumer Rights Day on March 15, 2022**

The Department of Business Management, DAV Institute of Engg & Technology, Jalandhar in association with NSS wing of the institute celebrated World Consumer Rights Day on March 15, 2022.

Consumers Rights Day is commemorated to safeguard consumer's right and to ensure that customers are not subjected to market exploitation or social injustice that may jeopardize their rights. So to make people aware of their rights, this day was celebrated at DAVIET with the theme of event “**Shiksha Badhao Grahak Bachao**”. As many as 50 students belonging to different disciplines including BBA, B.Com, B. Tech and MBA participated in the event and spread awareness on consumer rights through Role-play and Skits.

**Dr Manoj Kumar**, Principal, DAVIET appreciated the efforts of students and encouraged the department to take up such endeavors in the future as well. He congratulated the students and faculty members for their active participation and enthusiasm.

**Dr Anil Soni**, HOD, Department of Business Management stressed upon the need of such awareness programmes. He assured that the Department of Business Management will extend its full cooperation for programmes related to social cause and awareness.

**Dr Ashok Kumar**, NSS Programme Officer, discussed about the schedule of different activities of NSS going to be held in DAVIET. He also congratulated the faculty members of the department for their coordination to make this event successful.

The event was concluded with distribution of certificates and prizes.
