Best Practice – I
Earn While you Learn (Co-Op)

Title of the Practice: Earn While you Learn

Objective: Earn While You Learn Program provides students opportunities to earn while learning through part-time jobs or stipend-based industrial training.

‘Learning by doing’ and ‘earning by learning’ are essential to future career development. Therefore, Industrial Training is an excellent combination of work and learning. The students of various streams not only financially support their studies but also gain practical experience that would stand by them later in their careers. It helps the students gain first-hand corporate world experience and develop self-confidence and personality.

The Context: Challenges & Issues

- One of the significant challenges while providing the job opportunity to the students while they are studying in the institute is to manage the regular curriculum, so their studies do not get affected.
- Students sacrifice their time for their studies. Working students have less time to study their lessons. Classes that require extensive reading and writing are affected. They can sometimes be late for their classes. So, separate time tables and weekend classes have been scheduled for the students who have opted for this Program.

Benefits of Earn While you Learn:

- Exposes the students to the world of work before actual employment.
- Gives students hands-on experience and confidence, thereby preparing them better for taking up jobs in the future.
- Adds value to the resume of the students.
- Enables the students to explore their subject preferences and develop them into a career.
- Prospers belongingness and encourages the student’s involvement in the College’s management and development.
- Helps inculcate in the student’s values of hard work and dignity of labour.
- Helps to channelize the exhaustive energy of the young students into positive activities.
- Provides opportunities for students to earn while learning to meet their expenses.

Evidence of Success:

- Continuous implementation of the Earn While Learn Program every year stands as proof of their success.
- Positive feedback from the students and their parents.
- Students, who support their college fee with their self earned money, are our proud testimony of success.

Problems Encountered:

- Creating awareness in the students about this program and its benefits.
- Encouraging them to step out from their comfort zones and start working hard for their own good.
- Initial hesitation in staying back beyond institute hours.
- Continuous motivation is required as the students can lose confidence when things don't go as expected.
- Monitoring/Special arrangements of the academics of the students while they are pursuing their internship.

Resources Required:

- Skill Assessments of the students on regular basis, action plan and improvement thereof.
- Career guidance and counseling by the experts.
- Dedicated staff and assistants to help implement the program and conduct interviews.
- Additional duties to the teaching faculty for special classes.
- Skill development of the students through workshops, seminars, MOOCs, guest lectures, industry week(s) and industry visits etc.
- Extend labs & library facilities beyond scheduled hours.

WASTE MANAGEMENT

DAV Institute of Engineering & Technology, Jalandhar (DAVIET, Jalandhar), is committed to transform lives and serve the society through pursuit of excellence in teaching, innovation, lifelong learning, cultural enrichment and outreach services. DAVIET, Jalandhar came into existence in 2001, with the objective to promote inter-disciplinary higher education and research in the fields of Engineering, Management & computer application. DAVIET realizes sustainable and holistic waste management essential in reducing its environmental footprint and providing a safe and healthy work environment for teaching and non-teaching employees, students, and visitors

The institute applies a ‘waste hierarchical approach’, to reduce, reuse, recycle and recover waste products in preference to the disposal of waste to landfill. The institute recognizes the importance of meeting these legal requirements and to manage its waste responsibly, reduce the volume of waste sent to landfill and maximize reuse and recycling where possible.

Policy Objectives

The objectives of this policy are:

- To ensure that waste management is performed in accordance with all waste legislative requirements, including the duty of care, and to plan for future legislative changes and to mitigate their effects.
- To minimize waste generation at source and facilitate repair, reuse and recycling over the disposal of wastes in a cost effective manner.
- To provide clearly defined roles and responsibilities to identify and co-ordinate each activity of the waste management.
- To promote environmental awareness in order to increase and encourage waste minimization, reuse and recycling.
- To invest into the expansion of recycling opportunities on the institute campus and transform waste into value added products.
- To ensure the safe handling and storage of wastes on institute campus.
- To provide appropriate training for teacher, resident, staff, students and other stakeholders on waste management issues.
- To promote holistic approach of waste management in the campus.

Advisory Board

- a. The Principal - Chairman
- b. Dean Academic Affairs
- c. Dean (Student Affairs)
- d. Dean (RIC)
- e. Dean (Accreditation)
- f. Medical Officer, DAVIET
- g. One outside expert (to be nominated by Principal)

Function of Advisory Board

- i). Coordinating the provision of a central waste and recycling contract service for use by all facilities on the campus.
- ii). Ensuring that all contractors are advised that they must comply with the Duty of Care; that they must comply with the institute's Waste Management Policy.
- iii). Ensuring that all contractors appointed to carry out works are from the government 'approved list'.

Co-ordinator, Environment Sustainability Management Cell, DAVIET, Jalandhar is responsible for:

- i). Provision of advice and guidance to the University on waste management.
- ii). Setting Environmental Performance Indicators for waste management.
- iii). Reporting annually to the advisory Board on progress against the 'Environmental Performance Indicators'.
- iv). Monitoring and auditing the management systems for all wastes, to ensure safety and legal compliance.
- v). Monitoring and auditing all waste contractors working for the institute.
- vi). Provision of appropriate training for all personnel who have responsibilities for waste management.
- vii). Coordinating the gathering of, and supplying all relevant information to appropriate enforcement agencies, when information relating to waste management is requested.

- viii). Investigation of any incidents or spillage relating to all type of hazardous and general waste management.

Support staff is

Responsible for:

- i). Overseeing the day to day delivery of general waste and their recycling services.
- ii). Monitoring the performance of the institute contractor against the contact agreements.
- iii). Liaising with the “Environment Sustainability Management Cell” to establish standard procedures for managing waste on the Institute campus.
- iv). Operational monitoring of waste management systems across the campus.
- v). Compiling waste transfer data and statistics notes for centrally managed waste and recycling collections.

Heads of Departments are:

Responsible for:

i). Non-hazardous Wastes

Ensuring that no hazardous waste is disposed of through the general or waste recycling streams.

ii). Hazardous Wastes;

Nominating a *‘responsible person’* within their department to coordinate waste disposal for any hazardous or laboratory wastes.

- iii). Informing the **Environment Sustainability and Management Cell**, about the nominated *‘responsible person’* and updating the cell if and when the *‘responsible person’* changes. The tenure of the person will be minimum two year.

Staff/Supervisor (contractual) will be

Responsible for:

- i). Disposing of waste responsibly (**at both office and residence**), through the appropriate waste disposal system (segregation of waste), in accordance with Institute policy and procedures.
- ii). Reporting any problems with waste collection schemes to **Environment Sustainability and Management Cell** of the Institute.

Students will be

Responsible for:

- i). Disposing of waste responsibly, through the appropriate waste disposal system, in accordance with institute policy and procedures.
- ii). Reporting any problems related department/laboratory waste or waste collection procedure to the ‘Head of Department’.

Action:

1. **Food Waste:** The food waste collected from the PG/UG & Girl’s hostel hostels is collected on daily basis and taken to designated pits for allowing them to get converted into manure.

2. Dry leaves:

The dry leaves collected from the different sites of the institute are taken to the underground pits, compacted, mixed with cow dung and turned upside down regularly for few months to get it converted into manure.

3. Plastic Waste:

The plastic waste generated by means of plastic bottles /items are collected at designated places. The plastic bottles are crushed into small pieces in a plastic bottle crushing machine installed in the institute near canteen. The smaller pieces are sent to the industry for recycling.

4. Paper Waste:

The paper waste generated in the institute is recycled to files / folder for daily use. The institute has entered an MoU with Hans Raj Mahila Maha Vidyalaya, Jalandhar, an Institute awarded with A+ grade from NAAC.

The advisory board and Environmental Sustainability Cell continuously strive towards making DAVIET, a zero waste institute.

Mr. Udit Mahajan
Sub: Internship Offer

16/18

Date: 28-July-2021

Dear Udit,

We are pleased to offer you an internship with **TechTree IT Systems**. This is an educational internship program. Our goal is for you to learn more about our Business. By the end of the program, you will have the opportunity to work with different mentors within the organization. Also, the program is designed in a manner that gives you hands-on experience on various projects that are running within the organization. We consider this as the beginning of a journey that helps define your core skills and a career path in the process.

Your internship is expected to start from **09-August-2021 to 09-November-2021**. As an intern, you will not be in full-time roles in the organization. However, the program is designed in such a way that by end of it, a career path is determined and an offer will be made once you complete your educational course. During the internship program, you will be **paid Rs. 10,000/- as a stipend every month**. Since you will not be on the payroll, you will not be eligible for any benefits that the company offers to its employee, including, but not limited to, health benefits, leave, etc. we hope, you understand that participation in the internship program is not an offer of employment.

During your internship, you may have access to confidential, proprietary, and/or trade secret information belonging to the company. You agree that you will keep all of this information strictly confidential and refrain from using it for your own purpose or from disclosing it to anyone outside the Company. In addition, you agree that, upon the conclusion of the internship, you will immediately return to the company all of its property, equipment, and documents, including electronically stored information.

By accepting this offer, you agree that you will follow all of the Company's policies that apply to non-employee interns, including, for example, the Company's anti-harassment policy.

This letter constitutes the complete understanding between you and TechTree IT Systems regarding your internship and supersedes all prior discussions or agreements.

We hope that your internship with us will be fruitful and rewarding.

Letter of Intent ("LOI")

Dear Saanya Dhir,

444/17

With reference to your interview conducted by us, we are pleased to inform that you have been shortlisted for the position of **Analyst and A4** with **Capgemini Technology Services India Limited.**, (hereinafter referred to as "Capgemini").

In this regard, we are proposing compensation package and benefits, the details of which are set forth in **Annexure 1** to this letter.

The final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down by the University/ Institute for award of the degree/ diploma and the minimum passing percentage/ grade/ rank/ class as determined by Capgemini.

The location of your initial reporting and training and the date of your joining would be communicated to you in due course of time post successful completion of your pre-joining trainings and final semester degree/ diploma examination.

The date of joining and the location of posting will be purely based on business requirements of Capgemini. Capgemini solely reserves the right to make any changes to the date of joining and the location of posting during the course of your training and employment with Capgemini.

Upon accepting this LoI, you will be provided access to the ADAPT (Accelerated Digital Aid for Pre-onboarding Talent) eLearning platform which allows you to learn and master the concepts and skills required to be industry ready. The learning will be a self-paced journey inclusive of assignments, assessments and webinars as deemed appropriate by Capgemini and the successful completion of the same is a prerequisite for joining Capgemini.

It is very essential that you effectively leverage this platform to complete the courses and clear

the assignments and assessments. The progress made by you in this learning journey would not only help you in getting on-boarded on priority but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.

Upon joining Capgemini,

1. You are expected to enter into an employment agreement with Capgemini which shall contain details including the scope, terms and conditions of your employment and the contractual obligation with Capgemini.
2. You will be on probation for a period of six months from your date of joining and subject to satisfactory performance your employment will be confirmed (vide written confirmation) at the end of six months.
3. During your probation you may be required to undergo classroom trainings for such duration as deemed necessary by Capgemini and your performance will be evaluated periodically during such training period

Capgemini reserves the right to decide the continuance of your further training and your employment depending on your performance in its opinion.

The terms of this Letter of Intent shall remain confidential and are not to be disclosed to any third party.

You may note that this letter should neither be construed as an offer of employment from Capgemini nor should it in any manner confirm our intent to make you an offer of employment. We may, at any time, at our discretion, revoke this Letter of Intent.

We would request you to go through the above terms, and let us know if they are acceptable to you, within seven days of the issuance of this letter.

We look forward to hearing from you. Should you have any query, please do not hesitate to contact fresherhiring.in@capgemini.com

Thanking you,
Yours Sincerely,

13/18

Dear Ayush jain,

Congratulations!! We are thrilled to inform that you have been selected for the position of **Business Development Trainee** at **BYJU'S - The Learning App**.

Please reply to this mail to acknowledge and confirm your offer.

Joining Details:

Date of Joining : 06/30/2020

BDT Training Location : Bengaluru

Role Location : Jalandhar

Joining Location Address: Bangalore: 6th Floor, Tower D, IBC Knowledge Park, Banerghatta Road, Bangalore 95.

Fixed CTC during training (not inclusive of incentives): INR 3 LPA

Annual CTC post successful completion of Training: INR 10 LPA (7 LPA fixed + 3 LPA variable) for the role of BDA - Direct Sales or Rs 8 INR (5 LPA fixed + 3 LPA variable) for the role of BDA - Inside Sales

For any further queries please contact Vibhor Mehrotra at 9007892647

Details of Business Development Trainee Program: You will be undergoing Byju's Sales Training for a duration of 2 months. The first 2 weeks of this training will be classroom training followed by 6 weeks of "On-the-Job Training", both at the BDT Training Location. You will be assessed and monitored during your training program. We are also happy to inform you that additional performance incentives will be applicable during your training period. Currently till our offices re-open, your training will happen in the Work from Home mode. Once our offices are open, your training will shift to the BDT Training Location.

Upon successful completion of training based on clearing the company's expected parameters, you will be confirmed as BDA - Direct Sales (at 10 LPA) or BDA - Inside Sales (at 8 LPA). Also, only after confirmation to the BDA role, you will start work at your 'Role Location' (unless joining and training is being held at your role location itself).

Note for candidates confirmed as BDA-Direct Sales: In the unlikely scenario where the Direct Sales Model does not resume in your role location at the end of your Training Program, you will be offered the BDA-Inside Sales (at 8 LPA) role in Bengaluru. You will relocate to your role location as BDA-Direct Sales (at 10 LPA) as soon as the Direct Sales model begins at your role location.

Further details:

Few information regarding your training and onboarding are given below:

1. All your original academic documents are required for verification. You can find the list of documents to upload and submit within the offer letter itself.
2. Please note that without completing the above registration and receiving the offer letter, your onboarding would not happen.

You will need to have a working broadband connection and laptop at all times during the Training period. Please note that this is a core requirement for you to take part in the Training. Training can't happen without fulfilment of this requirement.

4. Your training performance will be thoroughly evaluated during your 8 weeks with us as that will be an incubation period for your new role.
5. Business formal or business casual attire is mandatory during work hours
6. Accommodation at the BDT training location will be provided by the company for the first two weeks of the BDT Program (only applicable for those whose role location is not Bangalore)

Dear **Deepanshu Mehra**, **ECE**

Congratulations! We are extremely excited to extend an offer to you to join the young and vibrant team of Vedantu as a "**Academic Counselor**" in our **FOS Team**. I am sure your valuable experience and passion to excel will be of great value to Vedantu and will help Vedantu move faster towards its Global vision.

Let's try and understand what this opportunity has in store for you. Vedantu, started as a consequence of the passion for education and learning that the founding team shared and with a vision to change the way technology can help make learning more effective and engaging for anyone. Since inception, Vedantu has grown from being just a start up to a company taking its first steps into the market and planning the bigger leaps in the coming days. Our products and services have been a result of passionate work of the team and valuable feedback of the users and needless to say, everyone has loved the products/services in their early stage itself.

We, as a team, take as much pride in our work culture as we do in our offerings, well, these two are inseparable for us. We are a group of extremely passionate and talented individuals who are attached to the vision of the company and take the onus on themselves to attain that Vision. The only rule in Vedantu is to enjoy work and be accountable for the same, and, that binds us all. There will be times when the targets will be pressurizing but we feel that passion and love for what we are doing will always sail us through the arduous tides, together.

We understand that this will mark a very significant step in your career as well. This will be a very different experience for you and we hope you are equally excited about the same. We hope that you can carve out a niche for yourself in this team and find the satiation and joy that everyone craves for in the professional aspect of Life and in the process grow with everyone else.

Coming to the professional part of the offer, you will need to join Vedantu Team in **Kolkata-4** & Your probation period would be 6 months from the date of joining. During probation period the company shall have a right to terminate the employment with the company by giving 15 days' notice. The employee shall have the right to terminate the employment with the Company by giving 15 days' notice. On confirmation of Probation, notice period will be 30 days for both parties.

Your employment is contingent upon the Company receiving satisfactory references or background check results. Please note that in the event the Company is not satisfied with any of these items, the Company reserves the right to end this agreement of employment.

Your fixed remuneration would be **INR 400000 (Rupees Four Lakhs only) per annum as per Annexure A**. In addition, you would be paid **INR 80000/- as Retention Bonus on completion of one year from the date of actual joining at Vedantu subject to satisfactory performance with rating Meeting Expectations and above**.

On the financial front, your growth at Vedantu will be linked to your performance and company's growths, we are confident of both. We are looking forward your date of joining on **26 June 2020**. A wonderful experience awaits you here, that's a promise!

Cheers!

OFFER LETTER

Dear Surbhi,

I am delighted & excited to welcome you to InvestoSure as an Intern in our summer internship program 2018.

- * **Date of Joining:** May 11th, 2018
- * **Duration of Internship:** 2 Months
- * **Stipend:** Rs. 20,000 per month (Subject to successful completion of training and assignments given by the company)
- * **Internship Location:** Pune

At InvestoSure, we believe that our team is our biggest strength and we take pride in hiring only the best and the brightest. We are confident that you would play a significant role in the overall success of the venture and wish you the most enjoyable, learning packed and truly meaningful experience with InvestoSure.

Your appointment will be governed by the terms and conditions presented in the Annexure A.

We look forward to you joining us. Please do not hesitate to mail us for any information you may need. Also, please sign the duplicate of this offer as your acceptance and forward the same to us.

Congratulations!

Warm regards,

Aaditya Sridharan

VICE PRESIDENT, INVESTOSURE

Annexure A

You shall be governed by the following terms and conditions of service during your internship with InvestoSure, and these may be amended from time to time.

1. You are being hired as a Full Time Intern for InvestoSure, hereby referred to as InvestoSure. For the course of this internship, you will have a Reporting Manager and Mentor who will assign you various tasks and responsibilities and will be your point-of-contact.
2. It is mandatory for you to submit your PAN Card to receive the stipend.
3. There will be catch ups scheduled with your mentor to discuss work progress and overall internship experience at regular intervals. You are also required to let your mentor know about forthcoming events (if there are any) in advance so that your work can be planned accordingly.
4. All the work that you will produce at or in relation to InvestoSure will be the intellectual property of InvestoSure. You are not allowed to store, copy, sell, share, and distribute it to a third party under any circumstances. Similarly, you are expected to refrain from talking about your work in public domains (both online such as blogging, social networking site and offline among your friends, college etc.) without prior discussion and approval with your mentor.
5. We take data privacy and security very seriously and to maintain confidentiality of any students, customers, clients, and companies' data and contact details that you may get access to during your internship will be your responsibility. InvestoSure operates on a zero-tolerance policy with regard to any breach of data security guidelines. At the completion of the internship you are expected to hand over all InvestoSure work/data stored on your Personal Computer to your mentor and delete the same from your machine.
6. During the appointment period, you shall not engage yourself directly or indirectly or in any capacity in any other organisation (other than your college). In the event of breach of this condition, this appointment is liable to be terminated forthwith by the company. In addition, you shall be liable to pay liquidated damages to the Company of an extent estimated by the Company.
7. The company may terminate this agreement forthwith under situations of in-disciplinary behavior.
8. You are expected to conduct yourself with utmost professionalism in dealing with your mentor, team members, colleagues, clients and customers and treat everyone with due respect.
9. At InvestoSure we love people who like to go beyond the normal call of the duty and can think out of the box. Surprise us with your passion, intelligence, creativity and hard work – and expect appreciation & rewards to follow.
10. Expect constant and continuous objective feedback from your mentor and other team members and we encourage you to ask for and provide feedback at every possible opportunity. It's your right to receive and give feedback – this is the ONLY way we all can continuously push ourselves to do better.
11. Have fun at what you do and do the right thing – both the principles are at the core of what InvestoSure stands for and we expect you to imbibe them in your day to day actions and continuously challenge us if we are falling short.
12. We hope it doesn't happen, but if you directly or indirectly cause any damage to the property, assets or reputation of the company, it would be dealt strictly and huge fines would be imposed.
13. You are expected to send us a copy of the acceptance within two days of getting the offer letter.

ACCEPTANCE

I have negotiated, agreed, read and understood all the terms and conditions of this Internship letter as well as the Annexure hereto and affix my signature in complete acceptance of the terms of the letter.

Subject: IMPORTANT: Regarding EMPLOYABILITY SKILL TRAINING.

Dear Student,

Aptitude is basically defined as an innate, learned or acquired ability of an individual to perform certain tasks. Aptitude tests inculcate many factors like Numerical reasoning, verbal reasoning, abstract reasoning, speed, accuracy, and other such abilities.

Most commonly these tests would ask the student a question about their Skills, Values, Likes, Dislikes and their innate abilities. The test measures the strongest and the weakest areas in each realm of understanding and the innate psychometric ability that the student may possess. Usually, these tests involve the use of psychometric tests consisting of multiple-choice questions, wherein a student has to select any one choice out of the given options.

Most of the companies use aptitude tests as a way to assess the specific capabilities of potential candidate. They are often used as a method of screening to identify high caliber candidates. The content of an aptitude test, particularly in an industry such as innovation, needs careful thought and consideration. They are used to assess candidates in terms of their skills, knowledge, ability and personality. Aptitude tests are an accurate way of predicting the potential contribution of a candidate and the likelihood of them achieving success within the organization. It can sometimes be difficult from an interview alone to assess the candidate's skills, so an aptitude test provides the company with a greater insight into their capabilities.

Poor Performance of Students in the SAT: As you all are aware that department of training and placement had conducted two **Online Skill Assessment Test (SAT I & SAT II)** on April 20 & 21, 2020. These tests were designed in the same pattern as conducted by various companies that came for the placements on campus in various previous placement drives. These tests evaluated students on Aptitude skills, communications skills and Programming skills. These three skill sets are majorly responsible for final placement of the students.

After analyzing the results it was found that in both tests (SAT I & SAT II), on an average 12% of the students were able to qualify. And this fact was already shared. It was forecasted that if the same situation persisted and students were not trained on the above mentioned skills (Aptitude skills, Communication skills and Programming skills), we might face problems during the final placement drive. Now, at this juncture we can see that the results are same as predicted. Even with a record number of companies visiting the campus the number of students placed has not increased owing to their poor performance in the placement process.

Further I would also like to share with you the sorrowful news that due to COVID pandemic many of the corporate houses have stopped their hiring which may decline the number of company's visits our institute for placements this year.

Hence to strengthen the placement count of the institute even during the COVID Pandemic, Department of Training & Placement is going to organize the Online Employability Skill Training (EST) program for B.Tech (All Streams), MBA and MCA students.

Interested students may register to the following link latest by August 17, 2020.

Dear Students,

Greetings of the day!!

As we all know that many reputed companies like Shapoorji pallonji, Zscaler, Grey B, Wipro, SAP and many others going to visit the institute for Campus placement Drive in the month of Sept & Oct 2019.

Aptitude Skill Evaluation is the first tool for the companies to shortlist students for further interview process. So to make students more employable Department of Training & Placement is going to organize Employability Skill Training from 26th August 2019 to 31st August 2019 (09:00Am - 05:00PM) in the convention hall in association with TIME Jalandhar. The other details of the course are as follows:

- 1. The fees for the said course is Rs 750/- per student.
- 2. Number of seats are only 100.
- 3. Last date for registration is 16 August, 2019.

And i again want to emphasize the fact that number of students clearing aptitude Test is directly proportional to the number of placements.

With Profound Regards

Plastic Waste Handling Policy

Objective of the policy

- To reduce the usage of plastic inside the campus
- To provide eco-friendly environment to the stake holders
- To ensure proper disposal of non-reusable plastic waste

Introduction to the policy

Plastics are not inherently bad, and they have many redeeming ecological features. Many of the techniques we utilize in our designs involve targeted use of plastic products. Their durability and low maintenance reduce material replacement, their light weight reduces shipping energy, their formulation into glue products allows for the creation of engineered lumber and sheet products from recycled wood, and their formulation into superior insulation improves the energy performance of our structures.

Once plastic is discarded after its utility is over, it is known as plastic waste. It is a fact that plastic waste never degrades and remains on landscape for several years. Mostly, plastic waste is recyclable but recycled products are more harmful to the environment as this contains additives and colors. The recycling of a virgin plastic material can be done 2-3 times only, because after every recycling, the plastic material deteriorates due to thermal pressure and its life span is reduced. Hence recycling is not a safe and permanent solution for plastic waste disposal. It has been observed that disposal of plastic waste is a serious concern due to improper collection and segregation system.

Harmful Effects of Plastics

1. Plastics are made from oil with a highly polluting production process. Plastics just do not dissolve; they break down into micro-particles that circulate in the environment. A single water bottle can take up to 1000 years to break down.
2. 83% of our drinking water contains plastic. Studies show that consuming plastic could lead to cancer, effects on hormone levels, and heart damage. Plastics have been found in the blood of even new born babies
4. Over 600 marine species are affected by plastics. Nearly 45000 marine animals have ingested plastics and 80% were injured or killed. Plastics can pierce animals from inside or cause starvation, entanglement, loss of body parts and suffocation.
5. As plastics travel with ocean currents, an island of trash called the "Great Pacific Garbage Patch" has been created. There are now many islands of trash in our seas.

Guidelines from Public Statutory and Non-Statutory Bodies/ Committees.

Swachh Bharat Mission, Ministry of housing and urban affairs, Government of India:

The Government of India notified Plastic Waste Management (PWM) Rules, 2016 on 18th March, 2016, superseding Plastic Waste (Management & Handling) Rules, 2011. These rules were further amended and named as 'Plastic Waste Management (Amendment) Rules, 2018. Salient features of Plastic Waste Management (PWM) Rules, 2016 are as follows:

- Carry bags made of virgin or recycled plastic, shall not be less than fifty microns in thickness.
- Waste generators including institutional generators, event organizers shall not litter the plastic waste, shall segregate waste and handover to authorized agency.
- Local Bodies shall encourage use of plastic waste for road construction or energy recovery or waste to oil or co-processing in cement kilns etc.
- Local bodies shall be responsible for development and setting up of infrastructure for segregation, collection, storage, transportation, processing and disposal of the plastic waste either on its own or by engaging agencies or producers
- Ensuring that no damage is caused to the environment during this process
- Creating awareness among all stakeholders about their responsibilities; and ensuring that open burning of plastic waste does not take place

DAV INSTITUTE OF ENGINEERING & TECHNOLOGY, JALANDHAR

Importance, and Implementation at DAVIET

Importance:

DAVIET is a green eco friendly campus with lots of trees surrounding the campus. To maintain this clean environment, reduced plastic usage and plastic management plays a vital role. This helps us to provide a healthy environment to the stake holders.

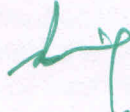

Implementation:

- Removal of plastic carry bags and use of compostable carry bags
- Replacing plastic drinking straws with paper straws
- Replacing plastic spoons with wooden spoons
- Removal and plastic tea and water cups with paper and leaf cups
- Usage of plastic water bottles by faculty members and students faculty members and students to be banned and should be insisted to use copper or stainless steel water bottles
- Replacement of flex boards with digital displays
- Degradable waste and non degradable waste to be collected in two separate bins
- Insisting the centre for research and development team to work on waste management
- Insisting the centre for product development to give projects to the students on waste management
