## **Alumni Association**

DAVIET has established a strong alumni network. Our alumni have huge aspirations and have devoted their heart and souls to make their institute proud. By performing effective roles as member of DAVIET family, the alumni association functions as a binding factor to further fortify the visualization as well as the implementation of institute's vision and goal. The alumni association was established to efficiently use our alumni's experience and expertise in order to pass on their talent and legacy to their juniors and institute by serving as role model and torch bearer of DAVIET. The alumni association is led by an executive body consisting of patron, president, vice president, secretary, treasurer, and executive members with the following vision and mission.

### **Vision:**

To perpetuate the tradition of quality, holistic excellence as an umbrella organization to amalgamate alumnus with the alma mater.

### **Mission:**

Apart from enhancing technical and academic collaboration, alumni association aims at fostering intellectual and emotional fellowship to further strengthen the fidelity, positive goodwill and interaction with alma mater with the zeal to help the institution for being the center of excellence.

**List of Members and their Designation of DAVIET Alumni Association**

## Objectives:

- To establish a sustainable network of globally spread DAVIETians.
- To provide a forum to enable the alumni to keep contact with their alma mater and also with one another.
- To utilize the expertise and resources of alumni for all-round development of the institute.
- To receive donations from alumni for enhancement of infrastructural facilities in the Institute.
- To award scholarships, prizes and medals to the poor and the meritorious students with contributions from alumni.
- To enhance library and laboratory facilities with the assistance from alumni.
- To create career opportunities for the present as well as the past student through interaction with resourceful alumni.
- To organize seminars, conferences and expert lectures for sharing the knowledge and experience of alumni.
- To organize annual convention of alumni with social, literary and cultural programs.
- To confer honorary awards or other distinctions to distinguished alumni.
- To utilize the expert services of alumni in academic and administrative reforms.
- To contribute significantly for the scientific and technological advancements of the country.

To achieve the objectives of the association, a dedicated web portal is created to build a strong link with the pass out students. The web portal can be accessed through <https://alumni.davietjal.org/>

As a graduate of DAVIET, pass out students are entitled to an amazing selection of benefits and services under Alumni Privilege Card. These include campus-based offers such as access to library, guest house stay as well as discounts at various merchant and businesses. There are also a few offers that alumni can take advantage such as discounts on accommodation and holidays.

### Homepage of alumni association website

We provide a platform which enables mentees to interact with their alumni as well as other industry experts. It provides an opportunity for the mentees to post generic queries (so that anyone may respond to them) or even address questions directly to a particular mentor. Mentors may choose to address any of the queries put across to them. **Alumni** Mentorship Program (**AMP**) offers every student a unique opportunity to leverage their institute's alumni network and build strong relations with professionals. Student gets chance to get updated information and advice related to academic, professional and personal development. This communication channel help build strong network for the alumni and students. **Alumni** serve as role models and personal career adviser in an informal mentoring relationship. As a distinguished alumnus, they hold a wealth of information and knowledge that current students can benefit from. Their expertise and advice is more valuable than one may realize.

Our graduates are working in various multinational companies in India as well as the abroad. Moreover, many former students are working at the top positions of the companies with great determination and dedication to excel in their field of expertise. To remain connected with our

pass out students, the institute has created online communities on various platform such LinkedIn, Facebook.

LinkedIn: <https://www.linkedin.com/groups/10542272/>

Facebook: <https://www.facebook.com/davietjal.org/>

Besides these options, the alumni can contact for any queries or suggestions, at:

## Expert Lecture Delivered by Alumnus

**Date: 23-08-2017**

An Interactive session by two of the alumni of Mechanical Engineering **Sukant Mehra**, SAP Associate Consultant WIPRO Technologies, Pune and **Mr. Varun Arora** from VEE KAY Toolsof 2011-2015 batch with students of B.Tech-7<sup>th</sup> Semester is organized on 23 August, 2017.

**Interactive session by Mr Varun Arora & Sukant Mehra with B.Tech students**

**Date: 26-07-2017**

An Interactive session by one of the alumni from 2011-15 batch of Mechanical Engineering Mr. **Kanwar Partap Singh, M.Tech from PEC, Chandigarh** with students of B.Tech 1<sup>st</sup> year is organized on 26 July, 2017.

**Interactive session by Mr Kanwar Partap Singh with B.Tech students**

**Date: 13-04-2018**

Our Alumnus, **Mr. Gobinder Singh (Director manufacturing operations, ME Clothing) of Batch 2011-15**, delivered a talk to the students of Mechanical Engineering and shared his experiences and challenges he face during start of his new venture. He guided and motivated the present students and discussed “How to start a journey as an Entrepreneur”.

**Our Alumni, Our Pride...**

**Date:08-11-2019**

An Interactive session by Mr. Raza Imam, **Manager (Supply Chain) Honda 2 Wheelers Ltd.** alumni from 2011-15 batch of Mechanical Engineering with students of B.tech-ME students is organized on 24 October, 2020 to discuss “Present Scenario in Automobile Industry”.

**Alumni Raza Imam with Faculty members during his interaction**

**Date: 30-01-2020**

It was very satisfying and elated to see the success of Mr. Harman, Mr. Mohit Sharma and Mr. Amrinder Sandhu who visited the department on their brief trip to India from Canada. All three of them are doing great on professional front and have created a niche for themselves in the corporate world with their superb performance in respective organizations. Not just that, Amrinder is also doing wonderfully well in pursuing his passion for singing. He has already got some good tracks and I am very sure will be one of the most sought after singers in the times to come. God bless you guys with a joyous and prosperous life on personal and professional front.

**Alumni Mr Arminder Singh & Mr Mohit Sharma with faculty members**

**Date: 04-02-2020**

Delighted to meet **Mr. Sarvoday Singh** who was on a short visit to India. The **alumnus of 2011-15** Batch of Department of Mechanical Engineering of DAVIET Jalandhar, at present, Sarvoday is **Business Development Manager with global leader Vita Talalay at Amsterdam, Netherlands**. A gem of a person, he has created a niche in corporate world at a very young age through his immense hard work and sincere approach. He cracked CAT during his Final Year of B.Tech. and completed Masters from prestigious SP Jain Institute of Management and Research, Mumbai and Nyenrode Business University, NL. The department is proud of you Sarvoday Singh and wish you much more success in the years to come. He also guided the current students of the department and took all their queries in a highly interactive session.

Elated to catch up with **Mr. Ankur Gupta** and **Mr. Amnish Behal**, (Batch 2011-15) the alumni of the department of Mechanical Engineering of DAVIET on their recent visit to the alma mater. It was great to see the two of them rising in their respective domains in the professional world. **Mr. Ankur** has ventured into setting up his **own business** and has become a great entrepreneur through sheer hard work while **Mr. Amnish** is working with prestigious **Escorts Ltd. as Territory Manager** with their agri business division. It was a great joy to see you our alumni doing so well. It was great to recall good old days and we had a very positive and informative discussion. Infact students of B.tech (ME) learned a lot from Ankur and Amnish as the two shared their experiences over last few years. God bless you two with much more success in the times to come on professional and personal front. All the best.

**Alumni talk series by Mr Jonty Mago**

**Date : 30-10-2020**

For the students who in the upcoming year are going to face the interview board, Department of Computer Science & Engineering took a step to indulge into arranging an online Alumni Talk on 30<sup>th</sup> Oct., 2020. The interaction bore fruitful results for the students of 5<sup>th</sup> Semester. **Ms. Garima Bawa** (CSE Batch 2013-2017), who is currently working as Enterprise Service Manager in EVERTZ Microsystems, Canada's leading Video broadcasting Company, was on her toes to share with the students the nitty gritty of her preparation strategy to get placed into the reputed companies. This event was coordinated by **Ms. Shaveta Kalsi**, Alumni Coordinator, CSE.

The key points of the talk were-

- Preparing the basics in the Core Subjects as Interviewers don't really delve too much into the details, but the basics.
- Top trending technologies these days like Big Data and Cloud.
- To be a T-shaped person whonot only needs to be expert in onesubject but also be aware of the basics of all the other core subjects from the same field.
- More than technicalities, interviewers look for good soft skills in the interviewees.

**Alumni Interaction by Ms Garima Bawa**

**Date – 06-04- 2021**

**Er. Nitin Saluja** (2015 batch),

For the students of 6<sup>th</sup> Semester who are going to face the interview board, Department of Computer Science & Engineering has again indulged into arranging another online Alumni interaction. This interaction was arranged by Ms. Shaveta Kalsi, AP (CSE). The interaction bore fruitful results for the students of 6<sup>th</sup> Semester. **Er. Nitin Saluja** (2015 batch), who is currently working with Orange business services, Noida as a Cloud Consultant, shared his work experience of all these years. He has also handled multiple roles at various reputed firms including ST Microelectronics.

He emphasized on the following key points to get ready for interview:

- Sticking to the basics. Subjects like Operating systems help to build the basic net to go about various technologies.
- Short notes prove very helpful before the interview.
- Top trending technologies these days as explained by him are big data and cloud.
- Data Structure holds the roots to placements, then any language, then step to Database and Operating System.
- Github profile adds up to the resume.
- Organizations work on the area specific.
- Php has become obsolete. JS, Angular, React etc. are current day languages.

He also added that it is essential to know your skills and be open about them. When being asked by the interview board. It turned out to be quite an interactive session, where the students came up with questions on future career options how to go for placements. The interest seemed to shift towards the work culture offered in India and then to the industry requirements. Flexibility is what is expected by the employer at a great extent.

It was a wonderful session where experienced fellows shared with the students the experience to be cherished and utilized by the students.

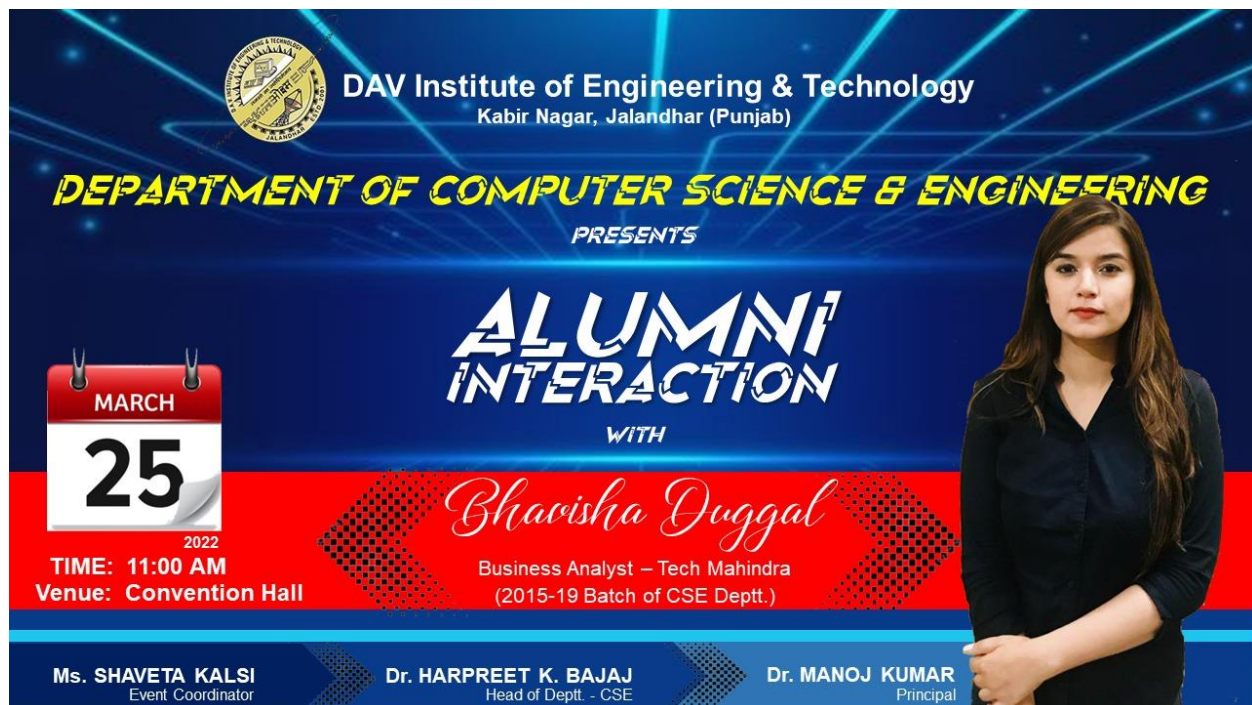

**Alumni Interaction by Er. Nitin Saluja**

**Date – 25-03-2022**

The concept of Alumni Interaction evolved for needs from both the ends, i.e. Academicians and Professionals, in the aim of building a bridge between college life and professional life, so that the fresher graduates are made proactive to face the current challenges of competitive Professional world.

Dr. MANOJ KUMAR  
Principal

The Department of Computer Science and Engineering organized an Alumni Interaction coordinated by **Ms. Shaveta Kalsi** (AP, CSE Deptt) on March 25, 2022 in physical mode from 11:00AM-1:00PM in Convention Hall. **Ms. Bhavisha Duggal**, Alumna from CSE (2015-19 batch), who is currently working as Business Analyst in Tech Mahindra, Noida and is the Business Head of the international projects of Tech Mahindra, shared her work experience of all these years. The interaction was designed to guide and motivate the students to take up the correct careers with full seriousness and in the right spirit. The session bore fruitful results and was attended by more than 150 attendees including students from CSE 4<sup>th</sup> and 6<sup>th</sup> semester and MBA. Entire session spanned for 2 hours in which she highlighted the core areas of Computer Science, Projects and the skill set required for getting internships and placements.

Alumni Interaction with Ms **Bhavisha Duggal**

She emphasized on the following key points:

- Importance of Data Analytics and Emerging Technologies.
- How to build a good resume for interviews and the necessary steps to increase the chances of getting a good placement.
- The kind of projects one should make so as to get benefit in Industry.
- How to handle the stress while preparing for any interview and not to get disappointed or frustrated if one is unable to achieve their goal.
- Remain true to your values and continue to cultivate a trustworthy professional reputation within his/her network.

- Group Discussions, extempore, value of communication skills, and benefit of positive attitude, especially while going for an interview.

The variety and range of questions raised showcased that the participants took an active part in the event. It was a wonderful session where experienced Alumni shared her experience to be cherished and utilized by the fellow students.

## **Annual Alumni Meetings**

### **Alumni Meet 2017**

DAV Institute of Engineering & Technology, Kabir Nagar, Jalandhar organized the ALUMNI MEET-2017 on 5th May, 2017. The alumni interacted with faculty and students and shared their expertise and experiences. The Principal, Dr. Manoj Kumar inaugurated the alumni meet and acquainted them with the various achievements of the institute. Dr. Neeru Malhotra, Convener, Alumni meet delivered the welcome speech and appreciated the participation of alumni. The alumni cherished the pleasant and memorable experiences they had, while being students at DAVIET, Jalandhar. The institute also invited and collected feedback from the alumni regarding the changes in the curriculum taught to students. The distinguished alumni motivated the students and provided guidance in the area of career growth and building successful career. The interaction with the alumni, touched upon various topics including contribution of alumni in placement, conduct of knowledge sharing sessions, assistance for internships and other social service activities. The alumni enjoyed the cultural program by students of the institute, which proved to be a great entertainer.

### **Invitation**

You are heartily invited to the Grand Alumni Meet where we shall relive the golden moments. Mark your calendar. Spread the word around. The Alumni Meet is just around the corner. Let's get together to reminisce old times and talk about the future. Let's all meet up at "Alumni Meet" on 12th May, 2017 at 5 PM in the institute campus.

You are requested to submit your registration-cum-consent form by visiting the online link i.e. <http://www.davietjal.org/alumni>.

For any further details; please contact President, DAVIET Alumni Association and kindly confirm your participation through email [alumni@davietjal.org](mailto:alumni@davietjal.org) or [alumnidaviet2001@gmail.com](mailto:alumnidaviet2001@gmail.com) latest by 5th May, 2017.

# DAVIET CONDUCTS ALUMNI MEET THROUGH VIRTUAL MEDIUM

**Jalandhar-Harpreet Singh Lehla**

DAV Institute of Engineering & Technology, Kabir Nagar, Jalandhar conducted an online Alumni Meet on 4 December, 2021. The former disciples shared their experiences and

footsteps to achieve success and excellence in their lives and DAVIET always provides platform to them as being one of the greatest institutions in the country. Moreover, she gave information about Alma Bay soft-

the idea that DAVIET has set benchmarks in the academia in 10 years and is relentlessly trying to achieve the heights in rendering the world class education. He emphasized on the need of industry in present scenario.

Many alumni expressed their bonding with institute and stated that they received a lot of opportunities from college and great support from mentor teachers for overall development.

Ashutosh Arya (Vice President) Automotive & Power Sector PSU, Ernst & Young India, Gurgaon, Daman Kalra (MD) KOS Immigration & LTV Logistics, Deepak Kumar (Modern Work Architect) at Fast Track Microsoft, Delhi, India, Ankur Sharma (SDO) Irrigation department, ShahpurKandi Dam Pathankot, Mehak Pruthi, (Public Services Officer) Ministry of

even rejuvenated the institution where they learnt to shape their dreams. Every alumni present acknowledged the fact that DAVIET is continuing and carrying forward the established mission of imparting quality education and serving the nation in true sense and producing Skilled engineers. Dr. Neeru Malhotra, HOD (ECE) and President DAVIET Alumni Association heartily welcomed the alumni members and called them assets for the Institution. According to her, some of them have really become role models for the coming students who can follow their

ware adopted by college to keep all alumni connected with its institution and asked all to make it stronger. Principal Dr. Manoj Kumar in his speech gave insights on the emotional bonding alumni have with their alma mater and presented the idea of alumni motivating the present students to achieve greater heights in their life. Further in his address, he mentioned that it will be considered as a big step if alumni provides support to Institution on placement and training. He shared information about new courses which have been introduced in campus. He also presented

Infrastructure, Canada and many other attended this meet. Studying at DAVIET brought an added value to their life and it gave them an opportunity to meet different people and learn a number of things and also provided platform of practical learning to face challenges of professional as well as social life. They thanked all faculties to groom them to make corporate professionals. Vice President Dr. Love Kumar, Dr. Chetan Darshan, Prof. Rajesh Kochher, Prof. Anurag Sharma and Vishav Kapoor Former alumnus and Asstt. Prof. of college were also present in this meet.
